

LYNFIELD COLLEGE MUSIC DEPARTMENT 2012

Dear Parent/Caregiver

Your son or daughter is interested in learning a musical instrument through the Music Department Itinerant Music system. Please read the information and expectations below and return the sign up form on the opposite page.

The weekly lessons are taught by experienced instrument specialists, in groups of 2-4 students in the music department between 8.30am – 3.30pm. Each lesson is 25-30 minutes long, on the same day but using a rotating timetable so that any subject class time missed should be manageable.

Costs:

Materials cost(annual) for itinerant music lessons is \$20 due within a week of the first lesson.

If you need to rent an instrument you can choose to pay by term or year. The yearly cost is due within a week of the first lesson and per term cost is due during the first week of each term. We do not offer guitars, bass, keyboard or drums for hire.

Rental @ \$80 per year or \$25 per term	Rental @ \$120 per year or \$35 per term
Flute Clarinet Trumpet Viola Violin	Alto Sax Tenor Sax Horns/Euphonium Trombone Cello

Expectations:

Students who learn an instrument at Lynfield College are expected to maintain regular attendance and behave appropriately at lessons as well as practise their instrument regularly (3-5 times per week) at home. They are also expected to contribute to one of the Music Department bands, choirs and/or orchestras as soon as they are competent. Rental instruments are to be kept secure and treated with respect.

Sign up:

If you would like to sign up, please complete the form on the opposite page and return it to the music department. This is a **SIGN UP FORM ONLY**. Students will be notified if they are accepted for the lessons, they should then take the appropriate payment to the accounts office. Priority is given to students studying NCEA music.

Any questions may be emailed to Mrs Norman on lnorman@lynfield.school.nz. Please keep this page for you information.
