## **Dear Parents/Caregivers**

Thanks to all those students, parents and staff who supported our annual Cultural Festival on Saturday 9 April. We have a wide variety of cultures at the College and this was a wonderful opportunity for the extended school community to share the features of their culture which make it so special and unique. Students spend hours practising their items to ensure the community gets to see the performance at its very best. The food is prepared by students and their families and again aims to give us an appreciation of the diversity and sophistication of the dishes available from each group. With the weather on our side, the day could not have been a more positive and enjoyable experience.

The aim of the day is to spread understanding and increase appreciation of the contribution each group makes to our school and the wider community. The day is not a fund raiser. It is self-funding with the cost for each dish expected to cover the cost of ingredients. The performers pay all their own expenses. The College contributes through meeting expenses of security, cleaning, waste disposal etc.

I would like to thank Mr Muni Ratnam our Cultural Co-ordinator and his team of students, especially the Arts and Culture Captains, and all students, staff and parents who so generously gave their time and expertise to ensure this was such a successful event.

The Progress Conference Evenings held in the last two weeks were both very well attended and we are pleased with the efficiency of our new online appointment booking system. I hope this was a successful opportunity for you to get feedback on your child's progress during this first part of the school year. The advice given by the subject teachers will prove valuable for continuing classroom focus. The senior students have a week of assessment in Week 4 of Term 2 and need to begin a revision schedule early in that term.

I wish everyone safe and happy holidays and look forward to our students returning refreshed and ready for a busy and productive Term 2.

L Ridling Acting Principal

#### Student Leader Profile – Arts and Culture Captains

Hi! I'm Esther and I am an Arts and Culture Captain for 2011! Ever since I was a junior, I have been dreaming of getting this position as I am very passionate about cultural diversity and arts, and I am ecstatic that I was elected to the role. I am very excited about the upcoming events this year, and our main event, Cultural Week successfully sailed through without a hitch. Cultural Day on Saturday was a blast and enjoyed by everyone. It was great to see so many past pupils and it will be something I will definitely come back to see next year! Next year I am planning on beginning a Bachelor of Communications at AUT.

Hello, I am Charlie and am also Arts and Culture Captain for 2011. I decided to stand for the Arts and Cultural portfolio because I really wanted to support diverse culture and increase the number of performances around the College. Sadly, I wasn't able to make it to Cultural Week or Cultural Day this year because I was (and still am while writing this) in Germany. However, I have heard from Esther and the two deputies Jess and Kieran that both events went very smoothly. It has been great working with Mr Ratnam, Esther, Kieran and Jess so far and I look forward to all the upcoming events this year. Next year I plan to do a Bachelor of Music in Jazz at Auckland University.

#### 2011 Lynfield College Cultural Week

The 4<sup>th</sup> of April kicked off our annual Cultural Week in Lynfield College. Each year, Cultural Week is a week-long celebration of the different cultures and the diversity represented in the school. On Monday we immediately got into the spirit, with free henna tattoos from the Indian group on offer at lunchtime. The next day was a Kiwi day, with lunchtime competitions on the field such as a gumboot toss, a three legged race and a wheelbarrow race, with the winners getting pineapple lumps as their prizes. Wednesday was the Year 9 Cultural Market Day, with a haka being performed alongside it. On Thursday it was mufti day and the ever popular fashion show at lunchtime. Ms Han won best dressed teacher and the Samoan group won best dressed group. All the proceeds of this mufti day went to charity, and it was beautiful seeing the different costumes of the world around the school. Friday was a day for the music students to shine, with guitar performances at lunchtime.

Saturday, however, was the long awaited Cultural Day! Jessica, Kieran, Charlie and I had been working nearly all term for this day, and we were very eager for it to start! This year, Cultural Day was bigger than ever, with two venues - the hall and the PAC. Cultural Group leaders had also been busy working towards this day, and were rewarded with successful stall sales and food seemingly flying off their tables during the food buying rush. When it was time for the performances, the crowd went wild as the school and the community supported their culture, their family and their friends that were performing. The concert went seamlessly and according to plan, and everyone had a great time. Anyone who participated in Cultural Day should be proud of themselves for representing their culture and their school so magnificently! Cultural Week was a huge success, and definitely a highlight in the school calendar.

Esther Zhuang, Arts & Culture Captain

# NZQA Fees and Financial Assistance

The 2011 NZQA fee for domestic students is \$76.70, with a maximum of \$200 per family. This includes up to three Scholarship subject entries. Extra Scholarship entries are \$76.70 per subject.

The cost for International fee paying students is \$383.30. This does not include Scholarship entries, which are \$102.20 per subject. Financial assistance cannot be claimed for International fee paying students.

Financial assistance is available for those who:

- are receiving a Work and Income or Study Link benefit, or
- have a Community Services Card, or
- · have a joint family income that would qualify for a Community Services Card, or
- have two or more children entered as candidates this year with fees totalling more than \$200.
  (Where fees are payable for more than one candidate, a maximum of \$100 per child and \$200 per fee payer)

The fee for those qualifying for financial assistance in the first three categories is \$20, with a maximum of \$30 per family.

# You must fill in an application form to receive financial assistance. A new application has to be filled in each year – if you received financial assistance last year it does not carry over.

Financial assistance application forms are now available from the Deans' Reception. The form should be completed and returned to school as soon as possible. The deadline for this is the end of term (15 April). This will ensure that students will receive an invoice for the reduced amount when the billing run is done during the holiday period.

Fee collection will be during next term, with a deadline for payment of 8 July. Please budget for this expenditure so that you can meet the payment deadline. Further instructions regarding payment will be included on the invoice issued at the start of next term.
