

Work Notification – Dominion Road Extension

21st February 2014

Dear Sir/Madam

As part of the Auckland Transport maintenance programme, and following the recent kerb/channel and footpath work, Dominion Road Extension between No. 1640 and No. 1333 is to be reconstructed during the dates and times below:

Where: Dominion Road Extension between No. 1640 and No. 1333 (see map attached)

Date: Monday 24th February to Saturday 8th March 2014

Times: 7.00am to 7.00pm

Please note these dates may change due to unforeseen circumstances or weather conditions.

The work is programmed to take two weeks. Included in that time is a stand down period to allow curing to take place.

This type of work does require large machinery and trucks to manoeuvre within your street. **Temporary traffic control will be set up**, and we ask in the interest of public safety, that due care and compliance is taken during the work.

We will try to minimise disruption to all parties and to enable the fast completion of work we ask that all vehicles be parked off street to allow for easy access of machinery and trucks.

Pedestrians should also please take care whilst work is taking place in the area and to inspect/remove their footwear to avoid tracking dirt, concrete, bitumen or loose chip into vehicles or dwellings. Please also help us by ensuring that all children and pets are supervised whilst near the work area.

We thank you for your cooperation and apologise for any inconvenience that may be caused during these essential programmed maintenance works.

For more information or queries please contact:

- Downer NZ's Stakeholder Advisor, Emma Cushnie 027 702 1852 emma.cushnie@downer.co.nz
- Downer NZ's Contract Engineer, Ronaldo Jambalos 027 238 1301
- Auckland Transport call centre on 09 355 3553

Project Location: Dominion Road Extension between No. 1640 and No. 1333
