Dear Parents/Caregivers

I wish to thank the Lynfield College community for the opportunity you have given me to lead your school for the past 15 years. It has been a real privilege to work with the community, students and staff in such a positive, cooperative and successful school. This school has been my life's work for 20 of the past 41 years that I have been working in schools. As I leave Lynfield College I know it is in good heart and has a very positive future ahead of it. We can all be very proud of the students that leave our school.

Thank you

S W Bovaird  
Principal

## Student Leader Profile – Arts & Culture Captains

Kia ora, our names are Melissa Paet and Kieran Murphy and we are the Arts and Cultural Captains for 2017. We are excited about what's to come this year in terms of planning events and getting to know our peers and their talents. Along with our deputies Andrew Isdale and Renee Prasad and our teacher in charge Mrs Mittermeier we are privileged to take on this role of promoting arts and culture at Lynfield College.

One of the biggest events we have organised so far is our annual Cultural Week. During this full-on week, we conducted a range of activities from henna tattoos to salsa dance classes plus our annual fashion show where students dressed up in cultural attire from around the world. It was a huge turnout from the students as all the seats in the hall were taken and the crowd was wild with excitement. Along with this, we had a photo booth with ornaments and flags from around the world.

Needless to say Cultural Day was bigger and better than ever before with a massive turnout of friends and family coming to watch superb performances, eat delicious foods from different cultures and generally support the students of Lynfield College.

Even though Cultural Day is over we have more events planned to promote students' talent, such as a Talent Quest, Open Mic Night as well as a film festival. As a team, our goals this year are firstly, to encourage Lynfield students to 'give things a go' and to embrace their culture and talents and secondly, to bring more exposure to the Arts side of our school.

*Melissa Paet & Kieran Murphy*

## Cup / Trophy Return

If you have a cup or trophy which was awarded in 2016 (at Festival Awards, Senior or Junior prizegivings), please return them to the main reception in the Admin Building **as soon as possible**. It is NOT necessary to polish cups before their return. Thank you.

## Uniform Lost Property

From the beginning of Term 2, any lost property will be kept at the Uniform and Stationery Shop. The shop is open during term time only and the hours are:  
Monday to Thursday 10am – 12pm, 12.30 – 1.30pm  
Friday 8.00 – 11.30am

Students are able to go to the Uniform and Stationery shop during interval and lunchtime.

## Gender Identity, Stress, and Coping at School: A Window into Adolescent Mental Health

Students from Years 10, 11, 12, and 13 will shortly be invited to complete a survey for a conjoint research project for the Universities of Auckland and Canterbury. The project explores relationships between adolescent students' perceptions of their gender self-concept, and their experience of stress and coping at school all of which are likely to shape adolescent achievement and wellbeing in powerful ways. We know little, however, about how these important dynamics impact New Zealand students and the current research will help address this gap in knowledge.

## NCEA credits for having a NZ Drivers Licence

If a student has a current NZ Drivers Licence, either Learners, Restricted or Full they are eligible for NCEA credits. Each licence has a standard attached to it. If a student has a Full Licence they may apply for all 3 standards. This is the same for a student with a Restricted Licence, they can apply for 2 standards. Students need to take their licence to see Mr Delgrosso in Deans Reception to complete a form to receive these credits.

Learner Licence = 2 credits at Level 1  
Restricted Licence = 4 credits at Level 2  
Full Licence = 2 credits at Level 2

## NZQA Fees and Financial Assistance

**Domestic student fee:** \$76.70, with a maximum of \$200 per family.

**Scholarship fee:** an additional \$30 per subject.

Online payment via the Parent portal is available. Invoices for the extra amount for Scholarship candidates will be issued later when Scholarship entries have been finalised.

**International student fee:** \$383.30. Scholarship entries are \$102.20 per subject. Financial assistance cannot be claimed for International fee paying students.

**Financial assistance** is available for those who meet one of the following criteria:

- currently receiving a Work and Income or Study Link benefit, or have a current Community Services Card (benefit-based applications)
- are not currently receiving a benefit, or do not have a current Community Services Card, but do have a joint family income that would entitle you to receive a Community Services Card (income-based applications)
- have two or more children who are candidates, irrespective of family income, and the total fees you would have to pay would otherwise be more than the \$200 multiple candidate maximum (multiple candidate applications).

The fee for those qualifying for financial assistance in the first three categories is \$20, with a maximum of \$30 per family.

Full financial assistance details, including income thresholds for entitlement for a Community Services card can be viewed at:

<http://www.nzqa.govt.nz/qualifications-standards/qualifications/ncea/entry-into-ncea/fees-for-ncea/financial-assistance/>

**You must fill in an application form to receive financial assistance.**

**A new application has to be filled in each year – if you received financial assistance last year it does not automatically carry over.**

**Financial assistance application forms are now available from the Deans' Reception.** The form should be completed and returned to Mr Delgrosso's office as soon as possible. The fee charged will be adjusted as soon as the application is processed. The process can be shortened if the student brings in the \$20 fee when they return the completed Financial Assistance form.

Invoices will be issued early in Term 2. We would like the payment to be made by the end of the Term (7 July). Please plan for this payment so that you can help us to meet our NZQA deadlines. For most students, the fee will be \$76.70.

There is an extra fee for entry in Scholarship subjects - \$30 per subject. Scholarship entries will not be done until later in the year when there is more data on student performance. A supplementary invoice will be issued at that stage.

**NB:** If payment is made at the Accounts Office, rather than online, the printed invoice should be handed in at the Accounts Office at the time of payment.
