NEWSLETTER 12 | 04 AUGUST 2023

## *From Tumuaki Cath Knell*

***He aha te mea nui o te ao***

***He tangata, he tangata, he tangata***

What is the most important thing in the world?

It is the people, it is the people, it is the people

### ***Kia ora koutou***

We might still be in 2023 but the focus over the past couple of weeks has very definitely been on 2024 with the last of the visits to our contributing schools, school in action tours, and our information evening for Year 8 parents and students all being held. Our student tours guides did a wonderful job of showcasing Learning at Lynfield and were warmly complimented.

Enrolments are now being taken online.

<https://www.lynfield.school.nz/Enrolment.html>

### ***August is Course Selection Month at Lynfield College***

The term has started with a focus on pathways and careers as our current students prepare for 2024. Visiting speakers, including past pupils, have been organised in some Faculties to showcase where their subjects can take them.

Courses for 2024 can be viewed on Schoolpoint <https://lynfield.schoolpoint.co.nz/> Students have already been looking at what is on offer and 'favouriting' the courses that they think best suit their interests and preferred pathway. Conversations about what courses have or are being selected will be an additional focus for the upcoming Parent Student Teacher conferences scheduled for the later this month.

With changes to NCEA being introduced from 2024 there have been some changes to the programme we will offer our Year 11 students. An outline of these was sent out to parents of our Year 10 students last week along with an invitation to attend the upcoming information evening on Monday 7 August.

***Noho ora mai - stay well, look after yourself***

## *Driving Safely Near the College*

The NZ Police in partnership with Lynfield College are doing regular patrols around the school. Their focus is to remind both students and the community about safe driving, observation of the speed limit and especially ensuring students are observing the rules of their individual licence.

---

## *Shinagawa Summer School Students Arrive*

Shinagawa Summer School students were given a warm welcome at a special powhiri by our Kapa Haka. This was followed by refreshments with a distinctly New Zealand flavour, giving our visitors the opportunity to sample some of our favourite treats.

*Shinagawa Students with Deputy Mayor Desley Simpson, on their day trip of Auckland City.*

---

## *Term 2 Year 9 Soft Materials*

Throughout Term 2, Year 9 Soft Materials students created a selection of hoodies. Students had to design and make a hoodie and trialled a variety of applied design techniques.

## *Technology Careers Week - Hospitality*

### ***Banu's Cooking Demonstration***

Careers week started with the Year 11 Hospitality class experiencing a true taste of India. The students were given a glimpse of Indian culture, tradition, hospitality and vegetarian cuisine. It was a multi-sensory experience where Banu demonstrated how to make Dal, Roti and Mango Lassi. The students got hands-on experience at the end and had time to enjoy the Indian cuisine. Banu also shared her story, her wealth of knowledge and how her products and cooking classes started. For more information on Banu's classes, products and recipes please visit her website - <https://banus.co.nz/>

### **Starbucks NZ – Coffee Masterclass**

Starbucks New Lynn visited the Year 12 and 13 Barista students to present a coffee masterclass. Students got to learn about the different blends of coffee and how espresso can be produced using different methods of extraction. Students tasted different blends of coffee and how they paired with different foods. The session was finished with lots of questions and a Latte art masterclass. It was also great to be joined by Ester Satrio who was a Year 13 Barista student in 2022, and is now a shift manager at Starbucks while completing her studies at university.

### **MIT - Manukau Institute of Technology**

Students were given an overview of courses by Willy Taavili, who also invites all students from Lynfield College to attend the MIT Open Day on 2 September 2023 to discover what MIT can offer across 5 campuses.

Craig Lucas (Senior Chef Lecturer) and Tamara Johnson (Thermomix Consultant) inspired our culinary students by demonstrating a chocolate tart dessert, finished with berry ice cream, anglaise, chocolate sauce and pistachio crumble.

### **Crown Institute of Studies**

Thank you to Puretu Puangi for the mocktail demonstration. Students from a range of hospitality courses and levels attended this very popular interactive class. Students were taught how to prepare a range of mocktails, and were given the opportunity to make their own. This was an opportunity to connect with Amy Tregidga - Head of Student Affairs - for any course information.

## **AUT - Auckland University of Technology**

John Kelly provided vital information to aspiring students to prepare them for the Hospitality Industry. AUT LIVE - Open Day 26 August 2023.

### **Ella Fletcher - Lynfield College Student Class of 2021 - Culinary Club - Bronze Medal for Espresso Beverages NZ Chef's Competition**

Ella Fletcher, who is currently a second year AUT Patisserie student demonstrated how to make Brandy Snaps filled with an Espresso Cream (new skills she acquired doing her course). The Level 2 Barista students were inspired by this interactive practical class where they got to prepare their own brandy snaps. Ella's personal attention to each student in class was exceptional and Lynfield College is so proud of her achievements.

### **Hebrew Cafe and Catering - Focus on Entrepreneurship and Business Enterprise**

Shalini Ali and the team which included her son Eamon, a previous Lynfield College student from 2021, talked to our Year 12 students about business entrepreneurship concentrating on how to create a successful business enterprise. The students were captivated by how their business started with a coffee cart and has now grown to be a service provider for school lunches in West Auckland where they serve 1400 meals as well as operating their Cafe in Henderson. Tips were given on how to start a food business with a couple of tricks of the trade - patience, perseverance and commitment to ensure a quality product.

A school lunch was provided to each student who attended the presentation to really understand the value of a hot meal for many students of New Zealand.

### **Technology Careers Week – LC Past Pupils talk to our DTG Classes**

**Jonathan Rogers, one of the founders of Grinding Gear Games** (based in Henderson, Auckland), creators of the hit online action RPG Path of Exile, came to speak to Year 13, Programming and Design students in Lynfield College on 3 August 2023. He talked about developing a game from the ground up, this involves character and environment design, audio engineering, programming and marketing. The project started by collaborating in a team of two within a garage, with no income. It began as a passion project and grew into a business valued at more than \$100 million dollars, he taught himself networking through online resources and went to University of Auckland where he completed a Computer Science and Maths Bachelor. Jonathan also recommended Media Design School for students wanting to develop and design applications and games.

**Raymond Feng, is in his final year of Computer Science within the University of Auckland and has his own business Sprrax Media.** He talked about the importance of collaboration and doing extra-curricular activities at university. Raymond said that having a good grasp of maths will assist in software development. His passion is developing user-friendly applications. He also advocated the growing need for Cyber Security technicians and engineers as online threats are continuing to grow and become more sophisticated.

**Harshal Damania is in his final year at Auckland University completing Software Engineering and Commerce.** He talked to the students about the different courses available in the Information Technology area. What opportunities are available when they are a university. Harshal touched based on the importance of being involved in activities at school keep a record of portfolio of work they have done in DTG for further tertiary studies this year and attend the open days they have at the university. He also mentioned that students need to have Linked In profiles as it a good way to be in touch with businesses, what skills they require for tertiary studies and be as member of IT institutions. He mentioned IT industry is one of the fastest growing industries in the world and there is huge demand for graduates who possess the right skills to work in this exciting field.

## **Open Evening Hospitality**

Barista and Hospitality students were keen to showcase their barista and baking skills during the enrolment Open Evening on 31 July 2023.

Whānau and ākonga were treated to hot chocolate in D’Cafe and finished their journey through the commercial kitchen to enjoy a selection of baked goods.

Thank you to the Year 13 Barista students who served a record breaking 500 hot chocolates. Your friendly and warm smiles are a testament to how you run D’Cafe for service during morning tea and lunch times.

Year 12 Barista students demonstrated their front of house skills serving the baked goods, whilst the Culinary Club impressed visitors with the culinary skills

## **The Spirit of the Ball - One Ball One World**

On 19 and 20 July, a group of German students across different year levels had the great opportunity to attend the spirit of the football workshop called The Ball. The workshop focused for example on aspects of sustainability, equal rights and fair play football. The founder of The Ball movement, Andrew Aris and his team visited us at Lynfield College. The ball is a non-governmental, non-profit organisation. This ball has been to many different countries like England, Jordan and even all the way to Tuvalu.

During the workshop they introduced the different SDGs, short for Sustainable Development Goals. We learnt that pollution does not just affect the environment but it also affects the people and communities as well. Fair play football was introduced, a modified version of the game that made it more inclusive. Some other students joined us during the game to emphasise that everyone can play. At the end of the game we were given the opportunity to sign the ball and say pledges based on the SDGs. Overall the workshop was a great experience for everyone and a way to learn German, about the SDGs, fairplay, and equality. Thanks to Frau Wradatsch and The Spirit of Football team for organising such a wonderful opportunity.

## Senior Quizzex

Lynfield hosted our annual Quizzex last Tuesday (Junior) and Thursday (Senior). Organized by the Academic captains with the help of Mr Winn, the competition featured students from all year levels, showcasing their knowledge and critical thinking skills in subjects like history, science, mathematics, and current affairs. The participants demonstrated remarkable teamwork and quick thinking as they vied for the title of "Quizzex Champion." The event's atmosphere was charged with excitement, culminating in the victory of Mando's #1 Fans (Senior). A big thank you to all the markers and everyone else involved!

## Kapa Haka Perform at EcoLab

On Wednesday 26 July the Lynfield College Kapa Haka group performed at EcoLab in Mt Wellington. As part of the Launch for Aho Tapu, an initiative which aims to bring kaupapa Maori into their workplace, we were invited to present our bracket. With an online invitation to Australia and NZ a culturally diverse audience witnessed a variety of waiata performed by our akonga. The group were provided with kai and enjoyed their time in a corporate environment. Ka nui te mihi ki a koutou mo te wheako nei. The kaiako who attended were Whaea Larissa, Whaea Leauga and Matua Tu. Special thanks to Akeelah's Mum, Shama, who organised and attended the performance.

## Changes for Year 11 Students from 2024

Parents will be aware that the Ministry of Education is currently reviewing the structure of our national secondary schools' qualification, the National Certificate of Educational Achievement.

As a school we have been challenged by NZQA and ERO to reduce the number of assessments we are using and to modernise our curriculum. Alongside this, we care for the holistic achievement and wellbeing of our students.

New Zealand offers three years of high stakes secondary school assessments and we, along with a number of other New Zealand schools, feel this is too much and is placing a huge burden on students for an extended period of time. This is similarly recognised by NZQA as one of the seven recommendations of the review: *to keep NCEA Level 1 optional*.

In order to meet the challenges from NZQA and ERO to maintain and bolster the wellbeing of our students, as a school we have decided to make NCEA Level 2 a two-year programme beginning in Year 11. We are not offering Level 1 as a qualification to Year 11 students. Students will be working towards gaining their NCEA Level 2 qualification by the end of Year 12.

You can read more about the change and what it means for our students here: [Changes for Year 11 students from 2024](#)

For further clarification, I encourage parents of current Year 10 students to attend the upcoming information evening on **Monday 7 August, 6.00 - 7.00pm in the Staffroom**. If you have any questions that you would like addressed in the information evening, please complete [this form](#).

## Hearing Testing

The National Foundation for Deaf and Hard of Hearing is pleased to advise that we will be providing free hearing screening for Lynfield College Year 9 students in October this year.

It is important that youth hearing loss is picked up, as early as possible, and that students can access the support services they need.

The Hearing Screening programme is part of a larger hearing loss study in New Zealand, and we will send further information for you to read about this soon. If you do not want your child to have their hearing checked you can let us know once the information is out. This is just a heads up that Year 9 parents will receive information soon.

Please email any queries to the nurse, [nurse@lynfield.school.nz](mailto:nurse@lynfield.school.nz)

If you have any questions about the screening programme please feel free to contact Bonnie at [bonnie.bonnar@nfd.org.nz](mailto:bonnie.bonnar@nfd.org.nz) or (09) 307 2922.

## GATEWAY Programme

### HELP WANTED:

The Lynfield College Gateway Programme is in urgent need of some “employers” who would be willing to be part of our school community and offer one or two construction students 5 days (1 day per week) of work experience. This helps our rangatahi explore the industry and make informed decisions about the real World of Work. Please contact Esther Harvey, Gateway Coordinator, Em. [eharvey@lynfield.school.nz](mailto:eharvey@lynfield.school.nz) or Mb. 021 944 013.

## **Sports Scene**

### **HOUSE COMPETITION**

Junior House Netball started this week, the seniors will follow in Week 5.

*Check out the Lynfield College Sports facebook and Instagram pages for more detail and photos.*

### **On-site Physiotherapists from PROACTIVE PHYSIOTHERAPY**

We have a physio available at the College Monday, Wednesday and Friday, located in the Wellness Centre. Bookings are essential and must be made through our school nurse [nurse@lynfield.school.nz](mailto:nurse@lynfield.school.nz). Once booked, the student will receive follow up text reminders from the physio. All ACC cases are free. Pre-game strapping is available at \$5 - \$10.

### **TEAM TALK**

#### **Premier 1 Netball**

Last term our Premier 1 girls netball team competed against Mt Maunganui during the annual sports exchange, and it was a very good run for the team. Although we did not get the win we had hoped for, the result was very close, everyone played their best and we're all very proud of each other's efforts. Big ups to our coaches/managers etc, we've come a long way and without them none of this would be possible. Also, credits to our team mates who are well committed to the team and continue to show their dedication and determination. So far this season has brought our team closer on and off the court, despite the tough games we've been facing. We look forward to heading off to Hamilton for winter tournament week in late August, where our discipline and determination will no doubt be tested and pushed to its limits.

Aggie Wulf & Izzy Phillips

#### **Premier Squash**

Good luck to our premier squash team who are competing in the NZSS Squash Championships on the North Shore, starting Friday 4th August and continuing until Sunday 6th August.

With the Winter sports season now in playoff rounds we have a number of teams playing semi-finals and finals in their competition. 6 Teams are also preparing for NZSS Tournament Week 7, 27 August – 1 September.

## INDIVIDUAL HONOURS

### **Kevin Zhang (Y12)**

Last month, Kevin won an incredible 6 Gold and 3 silver medals at the NZSS Swimming Championships. Kevin is now on his way to Trinidad and Tobago for the Youth Commonwealth Games.

### **Sione Apelu (Y11)**

Sione was selected to representative Netball Waitakere at the NZ U17 men's Netball Championship held in Hamilton.

His team went through the tournament unbeaten and are champions. This was the first time Netball NZ has held a men's U17 tournament.

*If your son &/or daughter has achieved representative status (Auckland or NZ) or has competed in such events the Sports Office would very much like to hear about this. Please either ask them to bring proof of the team they made/ level they achieved (eg. certificate, letter of selection etc) so we have the exact wording of their achievement, or email these details to [sport@lynfield.school.nz](mailto:sport@lynfield.school.nz)*
