What do students need to achieve at school to reach to their goals beyond school?

- UE standard is needed to start a degree course (Yr 13)
- NCEA Level 2 is “useful” for many apprenticeships, and certificate or diploma courses
- Level 1 Literacy and/or Numeracy are required (or at least helpful) for some industries (*e.g. some areas of the NZ defence force.*)

COLLEGE

WILL STUDENTS GET CREDITS IN YEAR 11?

- L1 Literacy credits
- Numeracy credits
- **Skills** and **understanding** to complete NCEA L2 by the end of 2025.

LYNFIELD
COLLEGE

- There may be one standard or none per course
- Some faculties similar over courses (e.g. all Year 11 PE courses have a 5cr L1 standard) while other faculties have different credits in different courses, particularly Maths and Science.
