Dear Parents/Caregivers

Have your say on the future of the Education System in New Zealand

The Ministry of Education is looking to have conversations with children, young people, parents, teachers, employers, iwi, families and whānau in support of shaping the world's best education system.

The new hub for the Education Conversation [Kōrero Mātauranga](#) has links to supporting information and outlines the different ways in which you can have your say.

We would encourage all members of our community to visit this hub and give their feedback. Of particular relevance to our secondary school pupils are the following three surveys:

- **Progress and Achievement for students in Years 1-10** (closes 28 June 2018)
- **Tomorrow's Schools** (closes 6 August 2018)
- **The future of NCEA** (closes 16 September 2018)

We look forward to you joining us in being part of the voices that are heard.

The Production

This year our school production is **Wheeler's Luck** and tickets are now on sale at the accounts office. Very regular rehearsals have required considerable commitment from the staff and students involved. The production will provide a wonderful opportunity for the school community to see the dramatic and technical talents of these students. We invite families and friends of the College to attend. Details of performance times are included in this newsletter and on our website.

Lynfield College 60th Reunion

It has been so lovely to see more of our past pupils in this our 60th Reunion year. The weekend of the 8th and 9th of June saw the official celebrations starting with a special function for our Foundation Pupils on the Friday morning.

The 60th Reunion weekend was a very successful event, with several hundred past pupils and staff either visiting the College for School in Action tours or attending the social activities that were organised. Current Student Executive members represented the College as ambassadors, escorting groups of visitors around the school. These students did an excellent job and received many compliments from the visitors, particularly for the respect shown them and the pride the students had in their school. Photos from the event can be viewed on our website in the 60th Reunion section.

"Thank you for a wonderful welcome this morning, put on by your pupils and staff, I could not be more proud of being an 'old boy' of the school. The two young ladies that escorted us around the various classes were a delight and it was nice to reminisce with them the ways of 60 years ago." *Peter Clark (Year of 58)*

"Thank you, your staff and pupils for the hospitality they showed to us on Friday morning. The welcome extended to us by your kapa haka group was both uplifting and humbling. I was impressed by the way all the pupils that we talked with seemed so open and very proud of what they were going and what they had achieved. The impression I got from walking around the place was that the students and staff were all polite, happy and all had the feeling of belonging. I would like you to pass on my thanks to the two senior girls who took us on the tour of the school and (for) the respect and patience they showed to us." *Jim Murdoch (1958)*

"Many thanks for you and your crew for organising the great 60th Reunion. The school sure has changed a lot in the 55 years since I left. The Friday tour was great and makes me want to come back to school again! The only class that looked the same was woodwork." *Paul Warner (1961)*

*Past versus Present Games: netball (Home 27, Guests 38) and basketball (Home 40, Guests 58)
Past Pupils were the victors this time round. However, we look forward to holding another challenge at the end of the season.*

Recent Student Success

- Eve Gabor (Year 13) who took part in the New York Junior Academy programme earlier this year, where her team came second, is being sponsored to attend the Global Science Summit in New York 25 – 27 July. Congratulations, Eve. We look forward to hearing about the summit on your return.
- Congratulations to Lynfield College student Matt Holden and his heavy metal band Silvera, which won the Auckland Regional finals of Smokefreerockquest 2018 on Saturday 9 June. Matt is the band manager, songwriter and lead guitarist. We wish them well for the nationals.
- The College Choir performed three items at the Big Sing held at Auckland Town Hall on Tuesday 12 June, including the first public performance of a song composed by Mr Sigmund Sue with lyrics by Ms Tess Morrison. The Choir's rendition of Johnny Angel was very warmly received, with the audience humming the tune afterwards.

Student Leader Profile – Assistant Arts & Culture Captains

Kia Ora, we are your Assistant Arts and Cultural Captains for 2018, Cathy Lai and Dhruv Gupte. To begin, we would like to express our thanks for electing us to this role. We are honoured and extremely grateful for this opportunity. The support and guidance that we have been receiving have been both humbling and invaluable in expressing the cultural and artistic sides of Lynfield College.

Our year definitely started off with a bang, with the organisation of our annual Cultural Week, and of course, Cultural Day. The Week itself ran very successfully with various cultural activities available every day of the week and Cultural Day was an absolute blast. It was amazing, seeing the hard work that students put in, with after school and weekend practices paying off. The energy present during the day was definitely unforgettable and it was an extremely proud moment for us, seeing the students and community of Lynfield coming together to celebrate the diverse cultures that make up our school. The day went by in a flash, so full of excitement, fun performances and amazing food and was definitely one of the highlights of the year, not only for us but also for many students and families alike!

We plan to continue celebrating the diversity of Arts in Lynfield with the organisation of yet another annual event - the Talent Quest. This will take place in Term 3 and will allow students to showcase their various performing arts talents. We are so excited and enthusiastic about planning this event.

Additionally, we would like to acknowledge our Arts and Cultural Captains, Kais Azimullah and Nandeeta Prasad as well as Ms Phelan, our Arts Co-ordinator, for their unending support and hard work during the first half of this year. We hope that the rest of our year will be equally as successful, and we look forward to tackling any new opportunities that come our way. We hope that we have made you proud and once again, thank you for giving us the opportunity to do so!

Year 13 Geography Muriwai Beach Field Trip

Most visitors to Muriwai take sunscreen and a towel. However, for Lynfield College Year 13 Geographers, the items of choice were aluminium foil, vaseline, oranges and wooden metre rulers. Collecting data for their research internal assessment, they used these items to conduct a range of experiments at Muriwai Beach and neighbouring Māori Bay. Comparisons were made of the speed and direction of sea currents, the slope of the beaches and the movement of sand by the wind. This valuable outdoor experience enabled the students to see first-hand legendary features they had heard of in class – stacks, pillow-lava, platforms, an arch and a blow-hole.

Please note these changes to our Uniform Shop trading hours for the last 2 weeks of Term 3

The shop will be closed on Friday 14 September.
From Monday 17 to Friday 28 September the shop will be open reduced hours, 12.00 – 1.30pm daily.
Normal hours will resume in Term 4

Olympians and Refugees Day

On Tuesday 19 June the New Zealand Olympic Committee organised a New Zealand Olympians day at the Trusts Arenas in Henderson to celebrate World Refugee Day. This provided some of our refugee students with a wonderful opportunity to try different Olympic sports and to engage with Olympians like Barbara Kendall, Emily Gaddum, Evelyn Williamson, Tim Slyfield, Lindsay Tait, Chantal Brunner and Alexis Pritchard. They also appreciated how sport can unite cultures, by providing young people with opportunities to learn new skills, challenge themselves and interact in a fun atmosphere.

Three hundred refugee students from intermediate and secondary schools took part. They enjoyed sports with which they were familiar: football, basketball, volleyball and badminton. But, they also had a go at some very different activities. Seniors learned to fence, many students got to throw a bronze medal winner on to the judo mat and learned how to defend themselves with basic karate. Most had never swung a golf club, but tried their hand on the improvised range and some students learned cheerleading moves. Lynfield College students participated with enthusiasm and in great sporting spirit. Our students were accompanied by Refugee Coordinator Chris Bangs, ESOL teacher Frances Maihi and bilingual assistant Hosai Abrahimi.

Asia New Zealand Foundation - Japan Sports Forum

In May, I was lucky enough to be selected along with 9 other Physical Education teachers from around New Zealand to attend the Japan Sports Forum. This was organised and funded by the Asia-New Zealand foundation, which endeavours to connect New Zealanders with Asia.

The forum was an opportunity for us to immerse ourselves in Japanese culture with a focus on sport and PE and to bring our experiences and connections back to share with our students, peers and community.

The week-long forum was based in Tokyo and included a wide variety of experiences. We visited numerous schools and universities, attended various sporting events including J-league Baseball, the Grand Sumo and a Judo Kodokan. We observed traditional Japanese sports in action including Kendo and toured the Olympic and Rugby World Cup sites to get a gauge on progress. We had guest speakers including the New Zealand ambassador to Japan, expat teachers, rugby coaches and players who gave us insights into life and work in Japan. It was a full and busy week with learning experiences around every corner.

One of the key messages I took away from the forum was that Japan offers many opportunities for our young people and is an interesting, vibrant and hospitable country. While being very different from New Zealand, there are also similarities. Japanese love sport as much as we do but just enjoy it in a slightly different but intriguing way. They are generous and welcoming and New Zealanders are widely respected, especially for our sporting prowess. The opportunities to work or study and play sport in Japan are more accessible than many realise. As the host country for the Rugby World Cup in 2019 and the Summer Olympics in 2020, Japan is an exciting destination to consider.

My intention now is to use the connections that I have made in Japan and through the Asia-New Zealand Foundation to facilitate opportunities for Lynfield College students to experience Japan whether it be in a sporting context, education or simply as a travel experience.

I would like to thank the Asia-New Zealand Foundation for funding my attendance at this forum and Lynfield College for allowing me the opportunity to broaden my cultural horizons. It is certainly an experience I will never forget.

Lynfield College School Ball

This year the Ball will be held at the Ellerslie Convention Centre (Guineas Ballroom). Dress is formal and will be guided by the theme 'A Night of a Thousand Lights'. Our school Ball has developed an excellent reputation for being enjoyable, well run and trouble-free.

Date: Friday 20 July (this is the last Friday of the school holidays)
 Time: 7pm to 11.45pm
 Tickets: \$115.00...

The ticket price covers the cost of photography. Photographers will be circulating throughout the evening as well as providing more traditional photography against a backdrop. Photo booths will also be provided for less formal photography.

Please be aware that the DJ will use 'flashing' lights.

Our Ball Committee is conscious of the considerable expenses some of our students incur in preparing for the Ball and is encouraging students to limit their spending by searching second hand shops and assisting each other with hair and makeup.

Ticket purchase is conditional on the student meeting all outstanding obligations to the College, having no more than 5% unjustified absences, meeting our Code of Conduct, having paid all fees owing to the College and having presented signed and completed permission forms. Tickets will be on sale from the Accounts Office, to Year 13 students from 5 June and to Year 12 from 11 June. **Ticket sales close Friday 22 June.** If you have any queries, please contact Mrs Gabrielle Clark, Deputy Principal, 6270600 ext 706

Please note: The Lynfield College School Ball is an extra, provided by the College to those students who meet the criteria to attend. Attendance at the Ball is a privilege and not a right. Students have been informed about the criteria since the start of the year.

2018 Lynfield College Production

This year Lynfield College is presenting **Wheeler's Luck, a New Zealand comedy by Damon Andrews, Toby Leech and Nigel Collins.**

When local landowner Nora Cox dies, leaving her prime coastal property to the people of the small town of Bell End, Mayor Duncan attempts to keep the details of the town's acquisition secret, inviting Auckland developer Richard Lush to help him transform the asset in to a cash cow for the impoverished council. However, Nora's land holds historical and cultural significance to the town as it was the site of a daring rescue following a shipwreck over 100 years ago. When rural postie Murray learns what is afoot, he sets out to scupper the mayor's plans. The play is full of wonderfully eccentric characters, lots of laughs and some exciting action.

Ticket are now on sale at the Accounts Office. Adults \$10.00, Students and Senior Citizens \$5.00.

Evening performances in the Hall: Wednesday 27 to Saturday 30 June, starting 7pm

Ticket sales on the door from 6.30pm
 Doors open for audience seating at 6.45pm
 Refreshments will be available at intermission

ASB

Supporting success in your school.

If you are a parent, staff member or member of the school community and you draw down a new ASB home loan of \$250,000 or more, ASB will donate to your chosen participating school:

SPORTS SCENE

Lynfield College 60th Reunion Past v Present games

Last weekend as a part of the 60th anniversary celebrations of our school there were two games played where our present players pitted their skills against teams of ex-students. It was fantastic to see so many who have previously played netball and basketball for Lynfield back on the court. They proved that smart play combined with experience can still win over younger (fitter) current players, although in both sports we fielded a team of players from a mixture of our current winter teams. These games were played in excellent spirit and everyone agreed we should do this more often!

All Black ASB Young Leaders Rugby Experience

Last week we found out that our nomination of Fa'asua Pepe to attend the All Black ASB Young Leaders Rugby Experience had been successful. She was one of only 30 rugby players from the greater Auckland area to be selected. Without Sua there would be no girls rugby team at Lynfield this year as she has worked tirelessly to gather a committed group of girls who are really enjoying their 10 Aside rugby experience. Below is her report on her once in a lifetime experience:

"It was such an honour to be given this opportunity and honestly I am grateful to all those who helped make it happen. It was a great experience and a great day. It was amazing to be welcomed at Eden Park by the Park Officials and be given a pass to go around on a tour of the stadium. It was amazing being able to see the places where everything happens behind the scenes such as the TMO box, the coaches' boxes, visit the changing rooms, stand in the barbarians club room, go through the players tunnel and even be able to stand on and feel the grass of the World Famous Rugby Field! It was also breath-taking to be able to spectate the All Blacks Captains Run and be able to take pictures and selfies with them as they autograph and sign the gear that ASB had kindly provided me with. It was such an honour to be elected and chosen to attend this programme and it has honestly helped me to better understand the qualities and aspects of not only rugby but also of leadership and I am very grateful and happy towards Ms. Wilson and Ms. Walbran and my coaches for allowing me and helping me do so. It has been a good experience for me and I look forward to using and sharing the skills and tips I've learnt from this experience with my team and use it on the field for our next games. LC Hard!"

On-site Physiotherapist

Our physio holds two clinics each week at our school. These are held on a Monday and Friday and to have an appointment students **must** book through the school nurse.

Uniform care

To help us continue to provide quality uniforms for our sports teams it is really important that these simple washing instructions are followed for all our sporting garments:

Cold wash, NO dryer, NO iron

Team Talk

With the recent extremely wet and windy weather it is now starting to feel like winter on the side lines of our sports teams! Our winter teams continue to impress both with their rapidly growing team spirit, their self-discipline and their results. Current standings of note are:

Premier 1 Netball - 4th out of 10 in Premier 1 grade at Netball Waitakere

Premier 2 Netball - 1st Premier 2

Senior Gold Netball - 4th in Senior A

9 Gold Netball - 1st in 9A grade

1st XI Girls Hockey - 1st in C Grade West

U19A Boys Basketball - 1st in Central/West

U17B Boys Basketball - 2nd in U17B

Junior A Boys Basketball - 2nd in Junior B

U19 Girls Basketball - 4th out of 10 in Open & U17A

Junior Girls Basketball - 1st place in Junior B

Senior A Boys Squash - 1st in Open B Central

Football

Unfortunately, the weather has caused several games to be deferred so standings for this sport are not very meaningful currently. As the weather improves these games will be played.

Boys Rugby

Match Report: Lynfield College Vs Onehunga High School – Saturday 26 May

After a narrow loss last Saturday, the boys were excited to get into game 2 of the 2018 season against Onehunga High School at Ferguson Park. Most turned up really early to both LC and Ferguson Park, and excitement was building throughout the team with the naming of the side. The lucky 22 players got named by the coaches with a few last-minute changes due to players falling sick, or not arriving on time.

Our mind-set was not like the previous week, switched on from the time we left the changing rooms, but with all the team now down on the field doing their personal warm ups, we got into the swing of our warm up. And the last minute disruptions did not stop there, with our game being moved to Ferguson Park No 2 not the No 1 as per the draw. But never mind, we took that as good challenge.

Kick off time arrived with the whistle from our referee. Nick took control of the team, with a couple of final words to motivate the boys. The early stage of the game went from end to end with neither team putting any points on the board. But around the 15min mark LC was hot on attack, with a lineout 5m from the OHS try line. OHS overthrew at the lineout, and Josh Kennedy pounced on the loose ball to race 5m to score in the left-hand corner. TJ stepped up and converted from close to the side-line for 7/0 lead.

From the restart, LC started to put the ball in the corners with strong wind behind them. And more points followed moments later with Lawrence Vui, finishing off a nice backline movement again in the left-hand corner. Again, TJ stepped up and nailed the conversion from the side-line for 14/0 lead. From this point in the first half OHS took control of the game and scored 3 nice tries to lead into halftime 17/14.

Halftime came at the right time for LC, and the boys knew in the huddle that we now had tough task at hand - playing into the strong breeze, and being down on the scoreboard. But the coaches and leadership team had a lot of positive messages about what we needed to do better, and how we could get back into the game. The boys rolled up their sleeves and when to work in the 2nd half. Keeping the ball in hand and putting a lot more phases together. This put OHS under pressure, and infringing came, giving us the field position we needed to score. More points which came in the nice movement between back & forward and ended with David Stein scoring in the right-hand corner. LC back to 19/17 lead with about 20mins to play.

OHS went straight back on attack from the kick off, and put a lot of pressure on LC down in the 22m area. The LC boys keep on making tackle after tackle over the next 5mins without conceding any further points. But, after nice movement from OHS own half, they were able to cross for try out in the left-hand corner. OHS 22/19 with about 10mins to play. The boys rallied over the 10mins and started to put a lot more pressure back on OHS, who started again to infringe and conceded some more penalties to give a chance of either draw or win.

In the final play of the game, LC were hot on attack again and OHS gave us the chance to draw or press home for the win, but the smart move was to try and get the draw. A penalty kick was award to LC just to the left-hand side of the goal post. TJ stepped up again and kicked the goal for the match to be drawn at fulltime - a fair result for both teams. We still have plenty to work on over the coming weeks!

MVP points handed out this week went to:

3 Points – David Stein

2 Points – Louis Neville-Smith

1 Point – Nick Kumar

Individual Honours

Vanessa Jim (Y11) is travelling to the USA to take part in an archery competition.

Ella Smith (Y11) has been very fortunate to have been awarded a \$4000 scholarship from the NZIFSA (Ice Skating national body), which is to be spent on training overseas.

In the application Ella set a goal of working with a coach called Richard Laidlaw based in Australia to assist with her learning the highest level jumps that women usually do, being a double axel and the first of a triple jump, the triple salchow. Richard has the reputation as a jump specialist as he is the only coach in Australia who has coached men to quad jumps. Ella has participated in a skating camp with Richard in December last year.

Ella will take up this fantastic opportunity during the first 3 weeks of July.

Becky Chen (Y11) will represent NZ in China during August. She will compete at the 15th World Chin Woo Wushu Tournament & Cultural Festival 2018 in Yuyao, and the 1st World Chin Woo Huo Yuanjia Hero Tournament in Tianjin.

Simeon Raymond (Y9) is currently placed 5th in the Intermediate Boys division in Rock Climbing

Sophia He (Y9) is currently placed 7th in the Intermediate Girls division in Rock Climbing

Jacob Ivory (Y11) is currently placed 6th in the Senior Boys division in Rock Climbing

If your son &/or daughter has achieved representative status (Auckland or NZ) or has competed in such events the Sports Office would very much like to hear about this. Please either ask them to bring proof of the team they made/ level they achieved (e.g. certificate, letter of selection, etc) so we have the exact wording of their achievement, or email these details to fwalbran@lynfield.school.nz
