Awards Ceremonies

We have reached the time of the year where we acknowledge and celebrate our students' many and varied achievements at our awards ceremonies. This first of these was our Festival Awards Evening on Thursday 20 October. One of the changes made during COVID has been the addition of 'live streaming' and 'recording' options. Speaking with whānau after the presentations it was so validating to hear that family members, including those currently overseas, had watched live and were able to join in the celebrations. Special thanks to New Era and Countdown for their sponsorship of this event. The next awards ceremony will be **Senior Prizegiving on Tuesday 1 November**.

Leaky Buildings

You will be aware that a number of our school buildings have been affected by watertightness issues and that new buildings will be constructed over the next few years to replace B Block and the Admin building. Unfortunately remedial work is required to keep the Administration building functioning until it is scheduled to be demolished and rebuilt. While this work is underway, staff have been relocated to other parts of the school. Reception, Accounts and our Attendance Officer can now be accessed from the entrance off the Hall foyer while Deans and the Senior Leadership Team are temporarily operating from the Library. We look forward to being able to provide an update on the construction of the new 30 teaching space building in our next NewsLink.

Whaea Brenda Rawiri-Tata

It was with great sadness that we heard of the passing of our Kapa Haka tutor, Whaea Brenda Rawiri-Tata. A tribute to Whaea Brenda follows.

Noho haumaru, stay safe and well

Festival Awards Evening

On Thursday 20 October, we held our annual Lynfield College Senior Festival Awards Evening celebrating student success in sports, the arts and cultural activities.

It was wonderful to be able to host a live prizegiving again, while simultaneously live-streaming the event to enable all our students and their families to join us in looking back on what our students were able to achieve in 2022.

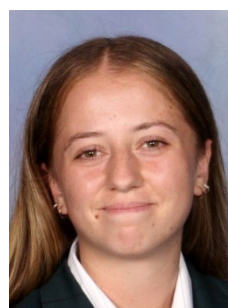

We would like to thank everyone who has supported our students' sports, arts and cultural activities this year.

We are very appreciative of the sponsorship we received from Countdown Lynfield and New Era Technology for their livestreaming production.

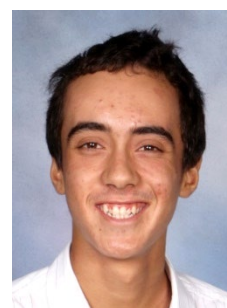

Congratulations to all our award winners.

Whaea Brenda Rawiri-Tata

It was with great sadness that we heard of the passing of our Kapa Haka tutor, Whaea Brenda Rawiri-Tata. Te Whānau o Te Kaareti o Pukewiwi would like to acknowledge our Kapa haka tutor Whaea Brenda Rawiri-Tata who passed away this week. Whaea Brenda has been a part of the Lynfield whānau for over a decade. She was a dedicated and strong woman of mana. We are all grateful for the matauranga, manaaki and whanaungatanga she demonstrated towards us, and will miss seeing her at lunch and afterschool practices. We send aroha to Matua Tu Tata and their whānau.

Wā hono: Innovation and Invention

The last week of Term 3 saw Year 9 and 10 students bring their learning about Innovation and Invention together. Students were issued with a series of problems and issues, ranging from easing congestion at the school gates to designing a satellite mission. By working collaboratively, they had to come up with an innovative solution and present it to their peers.

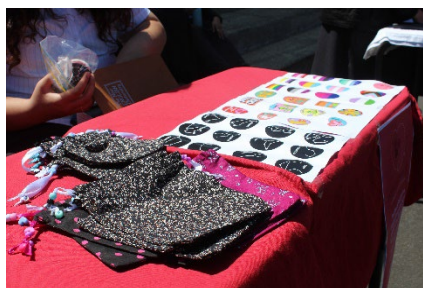

Some of the creativity and critical thinking shown by the students was impressive, and many of them enjoyed explaining their solutions and the thinking behind it to others. All the projects were voted on by students and staff, and the best projects were displayed in the Hall on the last afternoon of term.

Wā hono is an important part of our curriculum as it develops different types of learning for students beyond what they learn in separate subjects, and it's a wonderful opportunity to practise self-management and collaborative skills.

Year 10 Commerce Market Day

10COM Market Day was back at Lynfield College after a few years since the pandemic began. The Enterprise Studies unit is definitely the highlight of the Year 10 Commerce course. Students learn about running a business – from developing a product idea and discovering their roles as CEO, Marketing Manager, Finance Manager, Operations Manager and Communications Manager to carrying out market research, identifying their target market, making a budget, finding suppliers and completing a business plan! There were some high quality products on display with some businesses selling out their stock before the end of lunchtime. These young entrepreneurs have had a fun learning experience, developing their teamwork, innovation and problem solving skills along the way.

Junior Speech Competition

Topics ranging from gender inequality, over-thinking and allergies to being the youngest child, change and how success is an unrealistic concept were presented at the annual Junior Speech Competition, held on Thursday October 20th.

Year 9 and 10 students presented to an audience and panel of judges. The consideration, care and compassion put into the planning and practise of their speeches and spoken words was at a high standard. It is always an absolute highlight seeing the topics which are at the forefront of our junior students' minds.

Thanks to our judges, Deputy Principal Sharyn Hunt, Academic Captain Eesha Mahimkar and Cultural Captain Leigh Hine for bringing their expertise on the day. They had the tough job of deciding who from Year 9 and 10 would be recognised for their effort and skill.

The following students placed first and second in each year. First place recipients will be acknowledged and celebrated at the end of year prizegiving. Thanks to everyone who spoke on the day.

YEAR 9

1st | Eliza Shaikh: Gender Inequality

2nd | Aashna Puri: Change

YEAR 10

1st | Brianna Stuart: Women's Rights

**2nd | Deveshi Arora and Ivy Inamke:
Overthinking (The Deep End)**

Hui-ā-kura: Early Exposure School visit

In September we hosted Liz Peretira, Te Whatumanawa Ngatai Tangirua and Kanewa Stokes from Whakapiki Ake, a Māori student recruitment project initiated by University of Auckland's Faculty of Medical Science. They workshoped with 32 of our Year 10 and 11 rangatahi Māori, encouraging them to think about their futures and their subject choices, in order that career options are not limited in later years when they leave school. Our students enjoyed the activities and the kaupapa, being able to express their own aspirations and hear about other Māori success stories in higher education. For more information about the project and events that are coming up later in the year, their website is <https://www.whakapikiake.com/>

Vishwa Jayswal, Auckland Zonta Award

Congratulations to Year 13 student, Vishwa Jayswal!

Vishwa has consistently shown her dedication and diligence in all aspects of her school life. She is an excellent role model for those around her and frequently demonstrates manaakitanga. Vishwa's wonderful character has been noted by Zonta Auckland and from a number of very high calibre applicants and she was chosen to receive the Young Women in Public Affairs Award. This award recognises young women for their commitment to volunteerism, leadership achievements and dedication to empowering women worldwide.

Vishwa was presented with her award at a special dinner function organised by Zonta on Monday 17 October where she was also one of the featured speakers.

After having received this regional award, Vishwa is now a candidate for the Zonta New Zealand Award. If she is successful at this level, Zonta International will then be made aware of her. Zonta International overall have supported young women (across 60 countries), pursuing education and careers in the traditionally male-dominated fields of aerospace sciences and engineering, business and business management and public affairs. Overall, the judges were extremely impressed with Vishwa and believe she has a very promising future ahead. ***Well done Vishwa!***

National Student SCHOGM 2022 from Jessie Chen and Oliver Pracey

We were truly honoured to have attended the Commonwealth Youth annual flagship event, the Student Commonwealth Heads of Government Meeting (SCHOGM) 2022 in the last week of Term 3. As delegates representing Brunei Darussalam, we embodied foreign perspectives in debates and plenary discussions of global importance.

We practised suspending our judgements to understand the country's thoughts, motives, and emotions towards topics like climate change, trade and migration and the Ukraine response. It was an incredibly eye-opening learning experience and we thoroughly enjoyed building connections and collaborating with like-minded peers and leading professionals in the field.

Jessie Chen, Joint Winner of the NZBT

Congratulations to Jessie Chen, Joint Winner of the New Zealand Biology Tournament (NZBT), with an outstanding 45/60 score which tied her for the highest in the competition.

The NZBT is a challenging competition founded by a group of New Zealand secondary school students that provides an opportunity for secondary school students in New Zealand to demonstrate their excellence in Biology. It hopes to bring aspiring young biologists into the limelight to recognise and reward their achievements.

The competition took place afterschool on the Wednesday 28 September and consisted of a 60-question multiple-choice exam completed over the course of 60 minutes. The exam challenges secondary school students with questions derived from the NCEA, IB, and Cambridge syllabuses to ensure fairness to all students regardless of curriculum.

Dream Big Conference from Vishwa Jayswal and Jessie Chen

On Wednesday 12 October, we had the incredible opportunity to attend the Dream Big conference held by On Being Bold at the Fonterra building. Year 13 girls from around New Zealand gathered to hear from women in prestigious leadership positions.

With the privilege of Prime Minister Jacinda Arden in attendance, the day captivated our attention.

These women inspired and empowered us with their passionate career and personal stories. They highlighted their determination and perseverance in the face of inequality to get to where they are today. It was truly an honour to attend such a once-in-a-lifetime opportunity!

Congratulations to Evan Huang

RISE GLOBAL WINNER SELECTION

Congratulations to **Evan Huang**, who is one of the 100 Rise Global Winners and the first student from New Zealand to win this prestigious award. <https://www.risefortheworld.org/global-winners/>

Schmidt Futures, in partnership with the Rhodes Trust, announced the second cohort of 100 Rise Global Winners on September 22, 2022. About 13,000 people from over 170 countries applied for the Rise program this year. The 100 winners represent 47 different nationalities.

OLYMPIAD IN INFORMATICS

Evan Huang has been selected to attend the **2023 New Zealand Olympiad in Informatics (NZOI) Summer Camp**, which will be held at the University of Canterbury, Christchurch in January.

Evan placed 19th in the 2022 New Zealand Informatics Competition (NZIC) Overall.

2022 Overall Rankings

The **top 30 students** who compete in the NZIC may be invited to New Zealand informatics camp. The primary purpose of the camp is to train students towards representing New Zealand in the International Olympiad in Informatics (IOI).

World Robotics Olympiad – first time held in New Zealand

Congratulations to **Evan Huang** and **Daisy Chen** who won the 2nd Prize of the Future Innovators Junior Category of the New Zealand Finals of the 2022 World Robotics Olympiad. <https://wro.org.nz/2022results/>. The WRO® theme for 2022 is My Robot My Friend.

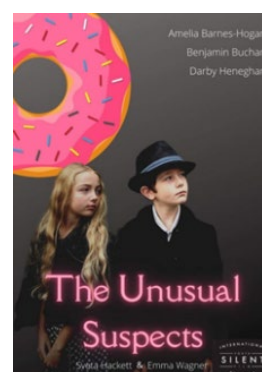

The combination of robotics and artificial intelligence can change the world and especially the environment of humans. The season challenges are connected to the ways that robots can help humans. <https://wro-association.org/competition/2022-season/>.

Thanks to Lynfield Robotics Club coaches Craig Yearbury and Doug Bryan for their support.

International Youth Silent Film Festival (IYSFF)

Year 10 student, **Emma Wagner**, is part of a filmmaking team that is one of the Top 10 finalists in the 2022 NZ Regionals competition of the International Youth Silent Film Festival (IYSFF). Emma has also been nominated for two craft awards for Best Cinematography and Best Editing.

While success in this competition is nothing new for Emma, who has placed in the Top 10 each of the past three years, this will be the first time she will experience the full 'red carpet experience' at the 2022 NZ Awards Final Ceremony. **We wish Emma, and her fellow filmmakers, all the best for the big night.**

2022 NZAMT Senior Maths Competition

Congratulations to **Daisy Chen** (Y11), **Evan Huang** (Y11) and **Akhil Mathur** (Y12) who were awarded Merit Certificates in the NZAMT Senior Maths competition. **Many thanks to Francis Cheung for his support in organising their participation.**

Mental Health Awareness Week Activities, Week 10 Term 3

Safe Schools Green Ribbons, Posters/QR Codes

As a part of raising awareness for mental health week, safe schools gathered together to make hundreds of tiny little green ribbons which we gave out to students on Tuesday and Wednesday mornings. Students pinned these ribbons to their shirts to show their support for Mental Health Week. Safe Schools also put up QR codes around the school, on Schoology and on the schools Instagram. The QR codes took students to a link tree which displayed helpful resources, counsellors emails, tips to help with their mental health and wellbeing and helplines.

Sports and House Captains, House Quiz

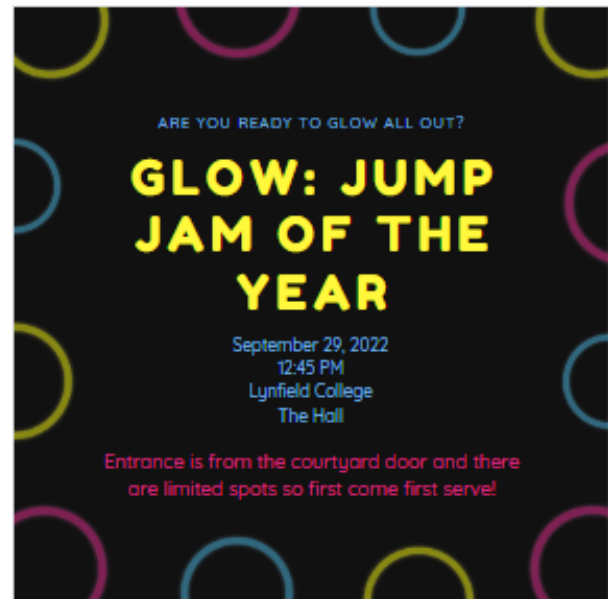

On Thursday 29 September, the sports and house captains held their annual House Quiz. Each house had two teams, one junior and one senior team of ten people each. The quiz consisted of ten rounds with topics such as guessing the logo, music, art, sports, movies, songs etc. The House Quiz is one of the more popular house competitions which rallied lots of students and teachers together to come and compete for their houses, and earn house points. **The winning house was Fatialofa.**

House Captains, Lunchtime Stalls and Non-Uniform Day

Mental Health Week was about spreading positivity and ending the term on a good note. The house captains put in a lot of time, effort and hard work to arrange game stalls for our students during lunchtime on Wednesday 28 September. Students enjoyed the unique games and a big thank you to the sports office for donating a soccer ball and volleyball!

Health Classes: Jump Jam and Presentations

On Thursday 29 September we hosted a glow in the dark jump jam lunch for mental health awareness week. Students were able to come into the hall, grab a glowstick, and let loose as they danced to jump jam songs with their friends.

German Language Speaking Competition 2022

On the evening of Thursday 29 September the Auckland Goethe Society Speaking Competition Prizegiving was held at the University of Auckland. We had a group of students attending and receiving their certificates and prizes. Congratulations to **Zara Qureshi**, **Nishikaa Thakkar** and **Omisha Mogre** as well as **Miyu Okuwaki** and **Rocco Gough**. **What a fantastic achievement! Wunderbar!**

Curling

Another successful season of curling was completed at the end of Term 3. We had three teams compete in the Auckland Secondary Schools curling competition. The Lynfield Whales team of **Tammy Bi**, **Silvia Kim**, **Charlotte Lai**, **Mei Matsuki** and **Kareena Nand** won the girls competition, and the Lynfield Curling Fries team of **Carey Chen**, **Evan Huang**, **Stanley Long**, **Issy Mason** and **Oliver Pracy** won the Matthews Cup for the Open Mixed grade.

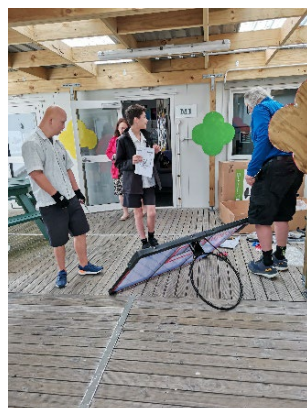

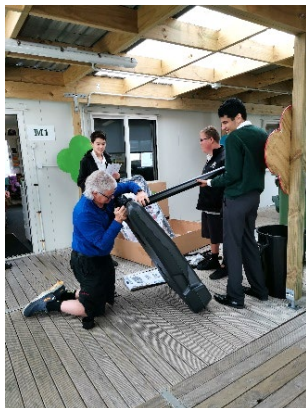

William Day was also runner up in the Spirit of Curling award, as voted by all the students in the competition.

We were well supported this year by parents who braved the cold every week, and as usual, the Lynfield teams played with excellent spirit and commitment.

Congratulations go to **William Day** and **Austin Lamb** who have made the Auckland Youth development squad. This squad aims to develop a high performing youth women's team and men's team that will be competitive at national-level championships and be strong candidates for national representation.

Learning Support Basketball Hoop

The Learning Support Department students now have a new basketball hoop, thanks to the generous sponsorship of CBD Energy Ltd, Z Hillsborough. The hoop assembly was conducted with great anticipation and excitement, and Teacher Aide **Paul de Pont** had many helping hands on site.

Sports Scene

TEAM TALK

Volleyball

The junior boys team had their first game last night and had very comfortable wins in both games. Great way to start the season!

Cricket

The 1st XI have started their Term 4 season and the Junior Boys team will have their first game next weekend. Watch this space.

Uniform Return

Please return all sports uniforms to the Sports Office as soon as possible unless they are currently being used for junior cricket or volleyball. *When the uniform is returned the uniform bond will be refunded to your nominated bank account, as per the letter your son/daughter brought home at the beginning of the season.*

Can you or anyone you know help in any way with sport in 2023?

This year we have had to restrict the number of teams in some sports because we simply could not find coaches to cater for all our students wanting to play sport. This definitely is NOT in line with our policy of providing quality sporting opportunities to all.

We urgently need coaches and facilitators/managers for our Term 1, 2023 summer sports teams especially cricket and volleyball coaches and dragon boating sweeps/coaches. To facilitate a team you need NO knowledge of the sport. The role could involve communicating with the coach to help them as needed with organisational tasks but more likely your help with organising transport (eg sorting out carpooling) and possibly providing transport would be greatly appreciated.

We are currently recruiting coaches and facilitators for our 2023 winter sports too. Here the need is for coaches in basketball, netball, hockey and boys football.

Every team must have a coach and facilitator/manager. If you, or anyone you know, is interested in helping in any way by becoming a part of the Lynfield Sport team, please contact the Sports Office:

09 627 0600 ext 595 sport@lynfield.school.nz

Remember, to be a team manager/facilitator, no knowledge of the sport is needed. It is simply a communication role.

Recycling sports gear

We are starting a Sports Equipment Recycling Depot at the Sports Office. This is for any sports gear in good, useable condition, your child may have grown out of or simply have no need for any longer. Items such as 2nd hand sports shoes, shin pads, cricket pads, cricket bats, hockey sticks, etc. If you are able to donate any of these things, you will be helping another family to get or keep their children in sport. Remember this gear MUST be in GOOD condition and able to be used for at least 1 full season.

INDIVIDUAL HONOURS

Congratulations to the following students who have excelled in their chosen sports:

Summer van Gelder (Y13)

Summer has been named in NZ Warriors U18 team for the World 7s competition later this year to be played at Pakuranga Rugby Club. Summer's team Akarana won the NZRL National Youth 18 Girls. She was named in the tournament team plus MVP for the final, and selected in the U18 NZ team.

Marie Fruean (Y13)

Marie has had a successful year playing League. She was a member of Auckland Red which won the Plate in the NZRL U18 National Nines. On Matariki weekend she represented Te Mahurehure Marae in NZMRL U18 GIRLS and they won tournament. In August she was selected to play for NORTHS in ARL U18 Girls Region of Origin Competition. In October school holidays she represented Akarana, the winning team in the NZRL National U18 Girls Youth Tournament. Marie has now been named in the NZSS League team that will play the NZ U18 team this weekend.

**Whaea Jennifer Leauga, Summer van Gelder,
Marie Fruean and Whaea TJ Bell**

Josie Wells in Action

Josie Wells (Y13)

Josie competed at the NZ Nationals Artistic Swimming Competition held at Splash Palace, Invercargill at the beginning of this month. Her Junior Free team won their competition while her Junior Tech and Open Combo teams placed second.

Caleb Young (Y12)

Caleb competed at the NZSS Diving Competition held at Westwave and came away with Bronze in both Springboard and the Platform Senior Boys events. It also meant that Lynfield placed 10th out of 25 schools represented, even with only one competitor!

If your son and/or daughter has achieved representative status (Auckland or NZ) or has competed in such events the Sports Office would very much like to hear about this. Please either ask them to bring proof of the team they made/ level they achieved (e.g. certificate, letter of selection, etc) so we have the exact wording of their achievement, or email these details to fwalbran@lynfield.school.nz

**Host Families
