From Tumuaki Cath Knell

He aha te mea nui o te ao

He tangata, he tangata, he tangata

What is the most important thing in the world?

It is the people, it is the people, it is the people.

Kia ora koutou

Over the past few weeks, we have had the privilege of being able to share some achievements of our amazing students with their peers, parents and whānau and the wider community.

Senior Prizegiving

With way more attending than we could provide seating for in our school hall and over 1000 views via the live stream link provided, this year's Senior Prizegiving, held on Tuesday 29 October, was a true highlight. Hearing about what our students have accomplished was incredibly inspirational. A special thank you to the sponsors, supporters and champions of the school for enabling us to recognise the students listed inside this issue.

Also provided inside this issue are the details of the prizewinners from Festival Awards Evening held on Thursday 17 October.

'Inquiry-based Learning Models and the Cultivation of Scientific Literacy'

Last week I had the honour of being invited to address the sister school representatives attending the Greentown Yuhua School China-Foreign Education Forum in Hangzhou China. The theme being explored this year was **'Inquiry-based Learning Models and the Cultivation of Scientific Literacy'**. I was delighted to be able to showcase the learning of our students in our **Innovative Learning Programme** (9IL and 10IL). There was considerable interest amongst the attendees on student choice within the programme, ownership over their learning, opportunities to grow their collaborative, leadership and presentation skills, and most importantly, the ability to see how their learning applies to everyday situations and problems.

We are incredibly proud of the current students and our Innovative Learning alumni.

At this week's Senior Academic Prizegiving, 22 members of the foundation class of 2021 were recognised for their academic achievement, including two Merit Award winners and three of the top six Academic Honours awards. Former IL students hold thirteen positions in the Student Leadership team for 2025 as well as contributing more than ten Hui mai representatives this year.

Year 13 Spirit Week

During the last full week on timetable the Year 13s celebrated with Spirit Week. Each day had a different theme:

Anything but a backpack, Dress as your Year 9 self, Uniform Swap, Costume Day (where students could dress as any character, actor or singer), last day in uniform plus karaoke. It certainly was a week full of energy, engagement and appreciation.

The Sargeson Prize – Secondary Schools Division

Congratulations to Reshma Tala, who has won this prestigious short story competition.

Celebrated publisher Harriet Allan, who served as this year's Chief Judge, had this to say about Reshma's writing:

The competition was also open to secondary school students, whose work Ms Allan says assured her that the future of writing is in good hands.

"I found it hard to believe that this longlist could be written by 16- to 18-year-olds. The pieces were perceptive, lively and so well written."

Reshma Tala, a Year 13 student at Auckland's Lynfield College, won first place in the Secondary Schools division with her entry 'Burgundy Bindi'.

"What made this story stand out for me is that it is told through the single colour red. This is not an easy thing to do, and yet the result is neither monotone nor monochrome," Chief Judge Ms Allan said.

"I've said in the past that short stories need to be like the Tardis, small on the outside but opening to a whole world inside. This is a Tardis. It's a seemingly simple story, but it is rich and moving."

As the Secondary Schools Division winner, Miss Tala receives \$2000 and a one-week summer writing residency at the University of Waikato, which includes mentoring, accommodation and meals.

Miss Tala says her story was inspired by her childhood and heritage, particularly the years she spent growing up in India.

"Winning the Sargeson Prize means so much to me," she says. "I'm beyond grateful to be offered the writing residency; it's an opportunity to further develop my skills."

University of Waikato Associate Professor in Creative Writing and accomplished author Catherine Chidgey says, "We received a record 1306 entries this year, and once again it's been a delight to gauge the range of topics, from urgent to frivolous, surreal to achingly current, that are engrossing the writers of Aotearoa."

The winning stories will be published on ReadingRoom, the literary branch of Newsroom, by editor Steve Braunias. Entries for the 2025 competition open on 1 April 2025.

Reshma is pictured here with Short Story Winner Benn Jeffries.

Interact Festival

On Wednesday 23rd October, students from Learning Support took part in the Interact Festival at the Corban Estate Arts Centre. Attendees participated in a very enjoyable Circus Workshop where they learned juggling as well as spinning plates and hoops. Students also made masks and had the opportunity to try on costumes, unleashing their creativity and displaying much joie de vivre.

Mt Roskill Firetruck visit

On Friday 18 October, firefighters from Mt Roskill visited Lynfield College to check out the new building. It provided a good opportunity for one of our Year 10 students, Jamien Thio, to talk to the firefighters and inspect the fire engine. Jamien has a strong interest in the fire service as he wants to train as a firefighter when he leaves school. This visit provided a great opportunity for Jamien to get a closer look at some of the equipment and talk to the crew.

OnScreen Documentary Short Finalist

Yazlyn Fa'agutu and Kaylani Hansell's documentary short *From South Auckland to Success: A Brown Boy's Triumph* is a national finalist at the OnScreen short film competition. They were made a semi-finalist last week (top six in the country) and now are a finalist (top three in the country). <https://www.youtube.com/watch?v=WTB23beTjul>

The national finals will take place on Tuesday 5th November, at the Academy Cinema, with a prize pool worth over \$12,000. We wish Yazlyn and Kaylani good luck!

Wā hono Project Week 2 – 6 December

Wā hono is our annual week of students connecting their learning in new ways, with the community, and with new groups of students. All Year 9 and 10 students participate, and they are off normal timetable for the whole week. Students made their choices this week from a range of 24 different projects. They will be advised of their project next week. A letter will be sent home outlining the learning gained from the project and any cost or gear requirements.

This is an exciting week of learning for the students, and we look forward to seeing the students engaged and active in the community.

Taster Mornings for incoming Year 9 Students

Each year, we invite the current Year 8 students who will be joining us in Year 9 to come to school for a morning. The students experience different classes and start to make connections with teachers and support staff.

Students from Blockhouse Bay Intermediate have their morning on Thursday 14 November.

Students from Waikowhai Intermediate and Glenavon Intermediate have their morning on Thursday 21 November.

We liaise with these schools to provide transport, so students should go to their current school as usual on this day.

Students from other schools are welcome on Thursday 21 November. We will be contacting those students directly, and they will need to arrange their own transport to the College.

STAFF VS STUDENTS SOFTBALL

As the Year 13s have now finished their regular timetables and go into their study leave, there was one final Staff vs Students match held after their appreciation assembly on 29th October. This was an extremely fun and spirited match and although this was their last chance in a Staff vs Students match, the Staff still came away with a 10-4 run win!

TEAM TALK

VOLLEYBALL

It has been incredible to have such great numbers and enthusiasm from Juniors for the Volleyball season in term 4. Thankfully, through Mr Jamieson's hard work, we have had the support to run 3 teams who began their in week 1. Since then these teams have won almost all of their matches and are looking forward to competing in the College Sport Auckland Junior Volleyball Championships in a few weeks' time.

CRICKET

Our 1st XI Cricket Boys have begun their season with 2 very tough games against Selwyn College and Botany Downs. They are looking forward to the challenges of Rangitoto College and Sacred Heart in the coming weeks where we will be looking to earn some points and push ourselves further up the ladder.

Our 1st XI Cricket Girls are also now 2 games into the season and have come away with 2 wins. Their first match of the season was against Mt Roskill Grammar where Aanya Patel put up an incredible 45* performance to secure that win for the team.

UNIFORM RETURN

Please ensure all sports uniforms have been returned to the Sports Office as soon as possible unless they are currently being used for cricket or volleyball. *When the uniform is returned the uniform replacement fee will be removed from your child's account, as per the letter your son/daughter brought home at the beginning of the season.*

CAN YOU OR ANYONE YOU KNOW HELP IN ANY WAY WITH SPORT IN 2025?

This year we have had to restrict the number of teams in some sports because we simply could not find coaches and/or managers to cater for all our students wanting to play sport.

We urgently need coaches and facilitators/managers for our Term 1, 2025 summer sports teams especially cricket and volleyball coaches. To facilitate a team **you need NO knowledge of the sport**. The role could involve communicating with the coach to help them as needed with organisational tasks but more likely your help with organising transport (eg sorting our carpooling) and possibly providing transport would be greatly appreciated.

We are currently recruiting coaches and facilitators for our 2025 winter sports too. Here the need is for coaches in basketball, netball, hockey and boys football.

Every team must have a coach and facilitator/manager. If you, or anyone you know, is interested in helping in any way by becoming a part of the Lynfield Sport team, please contact the Sports Office:

09 627 0600 ext 595 sport@lynfield.school.nz

Remember, to be a team manager/facilitator, no knowledge of the sport is needed. It is simply a communication role.

If your son &/or daughter has achieved representative status (Auckland or NZ) or has competed in such events the Sports Office would very much like to hear about this. Please either ask them to bring proof of the team they made/level they achieved (eg. certificate, letter of selection etc) so we have the exact wording of their achievement, or email these details to sport@lynfield.school.nz

HUI 1 PIPELINE WORKS UPDATE

From **Monday 4 November 2024**, our crew will start gas relocation works on White Swan Road as shown on the map below. These gas relocation works are estimated to take approximately two weeks to complete.

When we finish gas relocation works, we will move onto chamber construction works which will happen in the same area (as shown in map below). The chamber construction works are estimated to take approximately up 3-4 to months to complete. We will provide an updated map of these works closer to the start date.

The reason why we couldn't undertake these works at the time as we laid the watermain is that we wouldn't have enough space to carry out both construction activities simultaneously and we wouldn't have been able maintain adequate traffic flows.

Important update – Nightworks on White Swan Road – Monday 4 November 2024

On Monday 4 November 2024 our contractor will be carrying out nightworks in the road corridor near 205 White Swan Road, Mt Roskill. The working hours for these nightworks will be from 8pm - 7am, Monday 4 – Tuesday 5 November.

These nightworks are required to complete road line marking, undertake joint sealing, and island installation for our recently completed watermain construction on White Swan Road. We also need to mark out the shaft locations for our upcoming chamber construction works.
