LYNFIELD
COLLEGE

What do students need to achieve at school to reach to their goals beyond school?

- UE standard is needed to start a degree course
- NCEA Level 2 is useful for many apprenticeships, and certificate or diploma courses
- Level 1 Literacy and/or Numeracy are helpful for some industries (e.g. some areas of the NZ defence force.)

LYNFIELD
COLLEGE

There is NO extra numeracy requirement for UE standard.

Academic English Language Requirement

The University of Auckland (*no other tertiary institutions!*) requires 17cr in English at Level 2 or 3..... BUT

- You can still attend U of A if you have not yet achieved it.
- If you have not achieved it you will need to take an approved paper in your first year. This is NOT an extra paper.
- The 3ENU semester course is running in place of the study period to support students. See Ms Moss for more information.

LYNFIELD
COLLEGE

Beyond UE standard.

- Some university courses **more than** UE standard for admission.
- The University of Auckland are possibly the strictest
- Students need to aim for Merit; ideally Excellence

TRACK ACHIEVEMENT:

- Each term, in every subject, there should be
 - Estimated number of credits
 - Actual credits achieved
- Students who are ready to sit the LitNum Unit standards will sit (two opportunities this year.)
- Attend PST conferences to get teacher feedforward
- Students should aim to achieve most of their goals BEFORE leaving for external exams. Aim to pass ALL internals.
