COLLEGE

# NEWSLINK

NEWSLETTER 6 | 2 MAY 2025

*From Tumuaki Cath Knell*

*He aha te mea nui o te ao*

*He tangata, he tangata, he tangata*

What is the most important thing in the world?

It is the people, it is the people, it is the people.

### **Kia ora koutou**

Welcome to Term 2. I hope that you were able to join with our students in taking a break over the Easter and ANZAC weekends. With these public holidays falling in the school holidays, school term dates have been affected. Term 1 was a long 11 week term while Term 2 is a shorter 9 week term. Please be aware of the Public holidays in Term 2. King's Birthday, followed by our Teacher Only Day, 2-3 June and then Matariki Friday 20 June. Both of these create long weekend opportunities for you to be aware of. I also hope that you weren't affected by the extreme weather events experienced. Do let us know if you, or another of our families that you are aware of, was impacted so that support can be provided.

### **Opportunities for students**

As you will see in the following pages there has been **SO** much happening since our last edition including Outdoor Education overnight experiences, BurgerFuel Battle of the Bands 2025 winners, Youth MP for Mt Roskill selection, ANZAC Day choir performance and ANZAC Day service participation, Student trip to China, VEX Robotics Worlds and more. Most of these create lifetime memories.

Staff time, energy and connections make these opportunities a possibility as do parent and volunteer support. Thank you to everyone who has played an enabling or supporting role here. **You make a difference!**

We also appreciate those who provide sponsorship opportunities. One of these, Lenco, is offering discounts to families and ongoing sponsorship to the school if you mention Lynfield College, or use the LYFC code, when making a purchase.

### **Are your uniform items named!**

With the change in weather we have more students wearing their uniform jumpers and jackets to school. Once the day warms up these can be 'forgotten'. Please help us return these to your child promptly by clearly naming them.

### **Korowai of Values**

Our Korowai value for Term 2 is **Manaakitanga**. For Weeks 1 and 2 the focus is on **'We are accepting of ourselves and others'**. In Week 1 the action has been "Everyone in our class feels valued and included when we respect each other's opinions, listen actively, and celebrate our different backgrounds and strengths. We emphasise the positive". For Week 2 the action will be "In our classes everyone belongs when we work together, support each other's learning, and make sure no one is left out". It was great seeing our Y9 students demonstrate this during Wednesday's Road Race. We look forward to our wider school community joining us in understanding and modelling what Manaakitanga means in our day to day lives

Nga mihi nui

Cath Knell

## Lynfield Robotics Team – World Championships Update

Here's the latest update from Lynfield College Robotics Team for **Let's get Lynfield College Robotics on the world stage:**

**Thank You for Your Incredible Support ! Our Journey to the World Championships Has Just Begun!**

Today (29<sup>th</sup> April) the team has departed for the United States to compete in the World Championships. We were able to reach this important milestone thanks to the incredible support and encouragement from so many people. When we reached our donation goal of \$25,000 through Give a Little, the entire team and everyone involved celebrated with great joy. We are truly grateful from the bottom of our hearts — thank you so much for making this possible.

Team 2915E will be competing from May 6–8 at the Kay Bailey Hutchison Convention Center in Dallas, Texas. They will participate in the VEX V5 High School category (VEX V5RC (HS)).

You can watch their matches live through the following link:

<https://www.vexworlds.tv/#/channels/jmhkmbdwsh3fg4pfoqn> View the full update and leave a comment [here](#).

---

## Riding Electric Scooters to and from School

A reminder to students riding E-scooters to and from school. The Land Transport (Road User) Rule 2004 outlines how riders must behave, including being 'careful and considerate' when riding on the road and footpath, not going too fast, and giving way to pedestrians. E-scooters can be used on footpaths and roads (as near as possible to the edge), but not in cycle lanes. Safe scooter riding in New Zealand involves being a considerate road user, obeying traffic rules, and taking precautions like wearing a helmet. A reminder for students and the community about safe driving, obeying the speed limit, and especially for the students ensuring they are adhering to the rules of their individual licence.

---

## 2025 China Exchange

Twenty-three students from Years 10 to 13 spent their holidays travelling to China on a cultural exchange trip, marking our first visit in seven years to our sister school, Greentown School in Hangzhou. The trip offered students an incredible opportunity to experience Chinese culture firsthand while reconnecting with our long-standing friends in Hangzhou. Highlights included visits to iconic landmarks such as the Great Wall of China, the Forbidden City in Beijing, the Bund and Zhujiajiao Water Town in Shanghai, and the scenic West Lake in Hangzhou. Students also enjoyed spectacular performances, including the Impression West Lake show, staged entirely on water, and the action-packed Romance of the Song Dynasty.

The group experienced modern wonders like climbing the world's third tallest building and spending a magical day at Disneyland. Food was also a popular part of the journey, from tasting Peking Duck and dumplings to one brave student even trying a locust! The highlight for many was staying with their homestay families in Hangzhou, where they experienced everyday Chinese life and hospitality. Our students represented Lynfield College with pride, earning praise from hosts, guides, and drivers alike. We are incredibly grateful to Greentown School for their warm welcome and look forward to hosting them when they visit in Term 3.

Special thanks must go to Ms Fang for all her work not only in organising the trip, but also for being the expert translator, tour guide and travel agent while we were there. Her skills and efforts are much appreciated.

## ANZAC Day

This year we were honoured to sing the National Anthems of Aotearoa and Australia for the ANZAC Day dawn ceremony. Singing alongside Opera singer Te Ohore Williams, the service was held at the Auckland War Memorial Museum in front of 20,000 people and broadcast live on Whakaata Māori TV. After a full day of rehearsal on Thursday, the 14 students arrived at Lynfield College at 4am on Friday morning, for their 4.30am call time at the domain. They performed brilliantly, with a lot of people commenting on how good they sounded. The service is available to view online [HERE](#) from the 56minute mark.

A group of our executive students attended the May Road Anzac Day Service to pay their respects and honour the sacrifices made by those who served. As part of the ceremony, our Head Boy, John Mahe, proudly represented our school by delivering a heartfelt reading. It was a moving and respectful occasion, and we are very proud of all who participated. It was a privilege to stand alongside members of our community in remembrance.

Noah Pin (Year 13) was invited to play The Last Post and Reveille on Lynfield College's 1918 bugle at the ANZAC Service held at the Lynfield Murray Halberg Village for residents and whanau, who gathered to honour and remember the soldiers who fought for our country.

A particularly moving part of the service was listening to Lyn Dancer read her Grandfather's diary entry from 25 April 1915. Noah was also on standby in case he was needed to play the bugle for the Titirangi ANZAC Service.

---

## Tauranga Jazz Festival

Five Jazz Combos made the trip to Tauranga in the last week of Term 1 to compete in the National Youth Jazz Festival. With a tight turn around to get their performances ready, we were really happy with the performances from all five groups. The level of competition was incredibly high, so while we didn't come away with any major awards, the combos were awarded 1 Silver, 3 Bronze and 1 Emerging award.

The focus now turns to the Auckland Jazz and Blues Competition held at the start of Term 3.

---

## *Student Leaders Puketāpapa Community Breakfast*

On Monday 7<sup>th</sup> April, Lynfield College Head Students and BOT Representative, accompanied by Ms Knell and Mrs Clark, attended the Community Breakfast hosted by the Puketāpapa Youth Foundation. This event brought together a diverse group of attendees, including representatives from local organizations, the Puketāpapa Local Board, and students from Mt Roskill Grammar School, with the shared goal of strengthening connections with our youth.

The morning provided a valuable opportunity for open and meaningful conversations about the challenges young people face today. Discussions centered on how communities can better support youth, create safer spaces for them to express their concerns, and actively involve them in decision-making processes. It was an inspiring and collaborative event that highlighted the importance of youth voice and the collective role we all play in making a more inclusive and supportive environment for future generations. *Sumedha and Lisara*

---

## *Youth MP for Mt Roskill Electorate*

Lynfield College congratulates Mahant Agrawal (Year 12) on being chosen as this year's Youth MP for Dr Carlos Cheung, MP for Mt Roskill.

Mahant was among ten students (6 from our school) to apply for the role, which involved two rounds of interviews, giving him the opportunity to put his public speaking skills and advocacy for youth matters to the test.

As Youth MP, Mahant will represent students within our community on the things that matter and bring their voices to Parliament.

Young Māori  
and Pacific Pride  
Leaders present...

# IPU TI

## WEDNESDAYS

WEEKLY ACADEMIC WORKSHOP

*Open to all students!*

- Unfinished work?
- Due dates looming?
- Need help?

**3.15 PM - 4.30 PM**  
**JOIN US IN I2/I3 (END OF CORRIDOR IN THE UPPER GYM)**

---

## ***Mt Roskill Jobs Fair***

On April 8<sup>th</sup>, 100 Lynfield College students attended the Mount Roskill Jobs Expo. This was an event put on by the Auckland Business Chamber who wished to expose senior students in the Mount Roskill area to numerous businesses and opportunities which exist locally. Students were split into small groups and engaged in presentations and discussions with experts in each industry. It was a very well run event which the students took a lot out of.

---

## ***11 Japanese Students Experience Traditional Bonseki***

On Tuesday 8<sup>th</sup> April, our Year 11 Japanese language students had the unique opportunity to participate in a Bonseki workshop. Bonseki is a traditional Japanese art form that involves creating delicate miniature landscapes using white sand, pebbles, and small tools on black trays.

Students explored the rich history and cultural significance of Bonseki, guided by Naoko Sensei, a skilled Bonseki artist. They observed her demonstration of this intricate craft and then had the chance to create their own Bonseki scenes under her expert instruction.

One of the most fascinating aspects the students discovered is that Bonseki scenes are traditionally intended to be temporary, reflecting the Japanese aesthetic concept of impermanence. However, in some cases, artists use special techniques to preserve their creations. These preserved pieces are known as bonga (tray picture) or suna-e (sand picture).

Through this hands-on experience, students gained a deeper appreciation for Japanese culture and the beauty found in fleeting moments. We are incredibly grateful to Naoko Sensei for sharing her artistry and hope to welcome her back to our school again.

---

## 10TMS TearFund Sustainability Trip

On the last week of term, 60 students from Year 10 Soft Materials went to the Auckland Zero Waste Zone. The purpose of this trip was reinforcing the Sustainable Fashion topic covered in class and provide students with a close-up view of where our rubbish goes.

Students had a fantastic time learning about material decomposition exploring examples of clothing and then a practical workshop on flower pressing with fabric. The results were quite beautiful with these samples needing to be set first week back next term. The second session focused on linear and circular fashion with students demonstrating their understanding of the waste model and alternatives to disposal through dramatic performance.

We were then treated to a tour of the transfer centre and where all the rubbish is sorted. It was a great day of learning, and we look forward to seeing the students' creativity in the Up-cycling project in Term 2.

## 3OED Karangahake Gorge Camp

In the last week of Term 1, both Level 3 Outdoor Education classes went on their long-awaited camp in the Karangahake Gorge. The focus for this camp was river safety and spending a night out in a survival shelter, better known as a bivi. We spent the camp learning, building, and developing our outdoor skills while spending time with the environment that encompassed us. Each day had its own list of activities, experiences, and assessments. Our group spent the first night in the bush, making a survival shelter from the environment around us. While we were lucky enough to have mostly calm and still weather throughout the week, there were a couple of times the weather took a turn, bringing wind and rain, but this definitely didn't stop anyone from making new memories. Some highlights from the camp were the white water rafting at Wero, as well as walking around the Karangahake Gorge. We all developed stronger bonds with one another, making new friends and learning more about each other. A big thank you to Ms Reynolds for planning this camp, as well as Mr Tahu and Ms Samson for helping us through this first OED camp and sacrificing your time.

---

## Year 9 Innovative Learning Newsletter

Just before the Term 1 holidays, 9IL was challenged by a few of their teachers to do a cross-curricular project. This covered: Social Studies, Science, Mathematics, and PE and Health. Each of these parts of the project all combined to form the Turangawaewae project. Everyone made a Waka Hauora (Double Hulled Waka) for Social studies! It was made out of any material that we could source ourselves, however we also had to label each part of the waka and explain how waka were significant for historical Māori migration. The end results were absolutely amazing!

For the PE side of the project we had to identify which of the pillars in Te Whare Tapa Wha was the same as migrating on a waka. These include: Physical Wellbeing, Emotional Wellbeing, Mental Wellbeing and Social Wellbeing. We found it a great challenge to think about which pillar our wakas correspond with!

In Mathematics we had to write about another class member's Turangawaewae and find similarities to our own Turangawaewae. We also had to write a story about how we or our ancestors migrated. For the second part of the project, we got a world map and drew the coordinates, bearings, compass directions, speed of transport, and etc of our ancestors migration path! This was the most challenging part of our Turangawaewae project!

For science we linked back to our term one focus which was adaptation. We had to make a presentation about an organism native to our home country and talk about the why or why it would not survive if it migrated to NZ. We also had to define the characteristics, behaviour and adaptations of our chosen animal!

Overall, we really enjoyed this project as it allowed us to connect with ourselves, our peers and the environment we live in, as well as finding connections between the four different subjects this project was based on.

By 9IL Newsletter Team!

---

## LitNum Exams

If your child is sitting **literacy and numeracy exams** in **weeks 4 and 5**, you will have received an information letter via email at the end of Term 1.

**THE ASSESSMENT SESSIONS WILL BE HELD IN WEEKS 4 AND 5 IN THE HALL**

**Writing:** Tuesday 20<sup>th</sup> May

**Numeracy:** Wednesday 21<sup>st</sup> May (Year 10 and 11) and Wednesday 28<sup>th</sup> May (Year 11 – 13)

**Reading:** Thursday 22<sup>nd</sup> May (A – L) and Thursday 29<sup>th</sup> May (M – Z)

*Your child has been informed what exams they are entered into and teachers are supporting them to be prepared.*

**You can support your child by:**

- Asking them if they have registered on NZQA and if they remember their password.
  - Checking their device is working and charged.
  - Reminding your child to bring a **calculator** and a **ruler** to the numeracy exam.
  - Encouraging your child to practise past questions and look at the slide presentation that has been shared already.
- It might be an interesting experience to do some questions with them!**

---

## *Have you downloaded our SchoolBridge App yet?*

This gives you easy access to report an absence, see attendance, results, ability to pay any fees, see sports draws, and reports. Information about the app and login details can be found **here**

<https://apps.apple.com/us/app/schoolbridge/id1563090571>

<https://play.google.com/store/apps/details?id=com.inboxdesign.SchoolBridgeApp>

---

## *Individual Sports Honours*

### **SIONE APELU, YEAR 13**

Sione has recently been selected by the WECA Volleyball U19 Boys team who will be playing in Nationals later this term. We wish you the best at the tournament Sione and congratulations on your selection!

### **GEO SANDYANG YEAR 11**

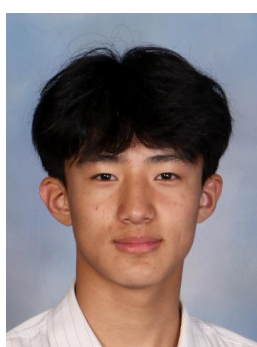

Geo has also been selected by WECA for their U17 Boys Volleyball team to also compete in nationals! We look forward to seeing how you do at the competition and wish you the best for the season also.

### **RAJAL SHARMA YEAR 12**

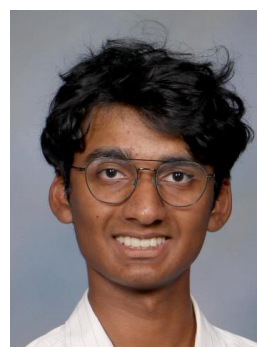

Rajal Sharma participated in the 81st Archery NZ Outdoor National Target Championships during the Easter weekend, competing in the Under 18 Men's Compound division, where he won Gold! Rajal was placed in the Mixed Division with U21s, U18s and the development categories combined with the matchplay competition, where he ranked 4th in the final placing. The weather conditions were challenging, with Cyclone Tam wreaking havoc with strong winds and heavy rain. Congratulations Rajal!

*Sione Apelu  
Year 13*

*Geo Sandyang  
Year 11*

*Rajal Sharma  
Year 12*

*If your son and/or daughter has achieved representative status (Auckland or NZ) or has competed in such events the Sports Office would very much like to hear about this. Please either ask them to bring proof of the team they made/ level they achieved (eg. certificate, letter of selection etc) so we have the exact wording of their achievement, or email these details to [sport@lynfield.school.nz](mailto:sport@lynfield.school.nz)*

---

## Sports Scene

### ROAD RACE

This Wednesday, we were able to hold our second big house competition of the year which was the 2025 Road Race. There were a few concerns beforehand around the weather but it turned out to be perfect for a run and the students taking part did an amazing job. It was great to have all the Year 9s running the event again this year as we have done in previous years. Having all of them involved made for a fun atmosphere and we hope they all enjoyed the event as well!

Congratulations to the following students on your placings:

	FIRST	SECOND	THIRD
Year 9 Boys	Alan Li 9SHL	Benjamin Robinson 9MTH	Joshua Parkinson 9SHL
Year 9 Girls	Grace Parkinson 9SSU	Grace Vashi 9DYE	Sasha Derrick 9DYE
Year 10 Boys	Mayson Ranchod 10STL	Xavier Pearson 10STL	Kobe Nicholas 10HWD
Year 10 Girls	Annika Vashi 10CLR	Angela Li 10CWL	Rasha Wafa 10LAL
Year 11 Boys	Bashir Nabizadah 11SVR	Ayaan Vasudeva 11JSP	Saaiesh Patil 11DNG
Year 11 Girls	Devyani Jogia 11HRW	Anna Pareja 11KHN	Josephine Sor 11KNR
Senior Boys	Ray Chen 12OBN	Jacob Knox 12BRT	Kleran Galvin 12 PHL
Senior Girls	Maren Capps 12PHL	Michelle He 12OBN	Alina Murumkar 13CRS

**Warm-up**

**Underway**

## LYNFIELD COLLEGE 2024 TENNIS CHAMPIONSHIP RESULTS

Event	Winner	Runner up if applicable
Senior Girls singles	Prianka Patel	Josephine Sor
Senior Girls doubles	Annaliese Matson and Josephine Sor	
Senior Boys singles	Jonathan Mar	Sahil Vagh
Senior Boys doubles	Jonathan Mar and Sahil Vagh	
Year 11 Boys singles	Ryan Dissanayake	
Junior Girls Singles	Aanya Vasisht	Trishona Adhikari
Junior Girls Doubles	Aanya Vasisht and Trishona Adhikari	
Year 10 Boys Singles	Aaron Bradbury	Pothan Prabu
Year 10 Boys Doubles	Pothan Prabu and Ronaq Bhatti	
Year 9 Boys Singles	Ollie Poole	

### TEAM TALK

A massive thank you to all of our community and family coaches, managers and umpires who have been vital in getting our winter sports teams underway. In these next few weeks, all of our winter sports will be starting and we wouldn't be able to achieve this without the help of dedicated volunteers. It's been great to see so many students taking part in their chosen sports these past few weeks and getting involved in activities outside of the curriculum.

### SPECTATORS AT GAMES

Spectators are always welcome at games. It is great to see the interest and support from friends and family. It creates a lively and positive atmosphere.

A reminder that our school is a smoke-free environment. This includes vaping. We ask that all spectators and players respect this policy.

We would prefer you don't bring your dogs to games. However, if you need to, we ask that they be leashed and under control at all times. To ensure the safety and comfort of all our visitors, we ask for your cooperation in maintaining control of any dogs brought to games.

Please remember that match officials are volunteers and are doing their best to provide an enjoyable game for all players. Please treat them with the kindness and respect they deserve.

Thank you for your understanding and efforts in helping us maintain a healthy and welcoming environment at our school.

---

### *Please Help Support Kowhai Kai*

Kōwhai Kai is a student wellbeing programme that supports Lynfield College students and their whānau who are experiencing hardship. At the start of lunch time, kai is provided in D12 for students who do not have the means to bring lunch to school. If you want to find out more, you can contact Mr Dye, Deputy Principal [edye@lynfield.school.nz](mailto:edye@lynfield.school.nz). This has been able to operate thanks to the generosity of our community. We would love to make connection with new corporate sponsors.

**DONATIONS CAN BE MADE TO: LYNFIELD COLLEGE, 12-3049-0248027-00, REF: KŌWHAI KAI**

---

## *Blood Day at Lynfield College*

### **NEW ZEALAND BLOOD SERVICE (NZBS) WILL BE HOLDING A MOBILE BLOOD DRIVE AT:**

Lynfield College School Hall

Thursday 8<sup>th</sup> May, 9am – 2pm

### ***Information for Parents, Guardians and Whānau***

It is important that we encourage students into a lifetime habit of donating blood and making a worthwhile contribution to their community.

The Care of Children Act 2004 allows people 16 years and over to make their own decisions about whether or not they wish to give blood. Students may choose to donate blood at this session.

NZBS recommends that students discuss becoming a blood donor with their family. If families have a particular objection to the student choosing to donate blood, please make this known to the student and to the school before the blood drive date stated above. More information about blood donation will be available on the day of the blood drive.

Parents are also welcome to come to the school and donate blood at this blood drive.

NZBS respects the privacy of all donors and recommends conversations around blood donor eligibility is carried out sensitively. If you require any further information please call 0800 GIVE BLOOD (0800 448 325) or visit [nzblood.co.nz](http://nzblood.co.nz)

### ***Becoming a blood donor...***

**Age:** First-time donors – 16 to 70 years of age | Existing donors – up to 80 years of age, subject to approval

**Height /Weight:** Weigh at least 50kg. First-time donors under 25 years of age must also meet the height and weight criteria. Use our handy calculator on our website at [www.nzblood.co.nz](http://www.nzblood.co.nz) to find out if you can donate.

**Health:** You must be in good health. You cannot donate if you have a cold, flu, sore throat, cold sore, stomach bug or any other infection.

You must wait 3 months following a tattoo or piercing before you can donate. If a piercing was performed by a registered health professional (GP, pharmacist, etc) you may be eligible to donate after 12 hours.

If you have recently visited the dentist, you must wait at least 24 hours following a minor procedure (cleaning, fillings or braces) or until you have recovered before donating. For complex procedures, such as tooth extraction, please wait at least 7 days after your procedure and any antibiotic treatment.

**Travel:** If you have been overseas recently, please refer to the 'Donating after Travelling' tool available at [www.nzblood.co.nz](http://www.nzblood.co.nz) to find out when you can donate.

**Food:** You must have eaten some food during the four hours prior to donation.

**Identification:** You need to bring suitable identification with you. Examples of acceptable ID are driver's licence, birth certificate or passport. A Student ID Card is acceptable if it features full name, date of birth and a photograph.

With your consent we may also ask the school to confirm you are at least 16 years of age.

### ***Important facts about blood:***

There is no substitute for human blood; healthy donors are the only source of our blood supply.

Around 30,000 patients are treated with blood or blood products in New Zealand each year.

A blood donation is separated into different components, each of which is used to treat different patients (accident trauma, patients undergoing surgery, people with leukaemia, transplant patients and many others).

Blood products are also used for immunisation to help prevent diseases such as hepatitis A and B, tetanus and chickenpox.

Each donation can help save up to 3 people - blood donors are literally lifesavers!

---

## **Uniform & Stationery Shop**

### **HOURS**

The Uniform and Stationery shop is open to all students on site for their uniform and stationery needs during interval and lunchtime Mondays to Thursdays, and on Fridays before school at 8am and interval.

We are not open on Saturday and Sunday, Teacher Only Days or the between term holidays.

**Parents can attend the shop at the following times:**

Monday – Thursday 10.00am – 12.00pm and 12.30pm – 1.30pm

Friday 8.00am – 11.30am

### **SECOND HAND CLOTHING**

The Uniform and Stationery Shop also sells second hand items. We ask that if you wish to purchase the second hand items, you do not come during student's morning tea or lunchtimes.

**Please be aware that we do not have the full size range in the second hand items. Proceeds from secondhand uniform sales go to our hardship fund to support students in need.**

### **LYNFIELD COLLEGE BLAZER**

The Lynfield College blazer is available to all students. The cost is \$260 and it can be purchased from the Uniform Shop. We only have a few available in each size at the moment, but if we have high demand, more stock can be brought in.

### **ONLINE ORDERING**

Online ordering is available through our website <https://lynfield.school.nz/shop.html>. Payment can be made by direct credit or credit card and students onsite are able to collect the items from the shop during the above times. Orders are usually ready the next day.

### **RETURNS POLICY**

We require a purchase receipt, tags and the skirt "runner stitch" to still be in garments to process returns. Please be aware that we can only return items up to 90 days from the date on your receipt.

### **LOST PROPERTY**

If your child has lost uniform items, please ask them to check the Lost Property bin outside the uniform shop.

**PLEASE REMEMBER TO NAME YOUR CHILD'S UNIFORM.**

---

## **Community News**

### **WATERCARE – HUIA 1 PIPELINE WORKS, BLOCKHOUSE BAY AREA UPDATE**

These works, including our final connection works, will be finished by late May/early June 2025.

#### ***Heaphy Street connection works***

We will be doing our final connection works on Heaphy Street on **30 April 2025**. Once we do our final connection works, we will need to carry out our final reinstatement works which are estimated to take a further two weeks. Traffic management will remain in place as per its current setup.

#### ***White Swan Road connection works***

We will also be doing our final connection works at 209-213 White Swan Road on **14 May 2025**. Once we do our final connection works, we will need to carry out our final reinstatement works which are estimated to take a further two weeks. Traffic management will remain in place as per its current setup.

We realise that these works have been long and disruptive, and we would like to thank the community for their patience while we have undertaken this important section of works.
